**9. VILLAGES AT CIVIC CENTER
DESIGN REVIEW, DR2017-0013**

This request is for Design Review approval of a single family residential project that includes 11 detached single family homes and 54 attached single family homes along with landscaping and some related site improvements. Most site improvements were reviewed and approved with the previously approved Tentative Subdivision Map, SD-2004-08, and Oak Tree Preservation Plan Permit, TRE-2004-04. (The approved map allows the subdivision of an existing approximately 12.5 acre site into 54 lots for attached single-family homes, 11 lots for detached single-family homes, and 5 lots for open space and common parking, landscaping, and park areas.) The subject site is generally located north of Evelyn Avenue, east of Ruhkala Road, and west of Lost Avenue. APNs 010-191-029, 032, 050, and 010-260-038 and 039. The property is zoned Planned Development (Residential Development) 4 units to the acre (RD-4) and Planned Development (Residential Development) 8 units to the acre (RD-8). The General Plan designation is Medium Density Residential (MDR).

A Mitigated Negative Declaration of Environmental Impacts was previously approved by the Rocklin City Council through Resolution No. 2005-306. The requested revisions to the previously approved tentative subdivision map

does not result in any environmental impacts beyond those that were previously identified and therefore, the Design Review can rely on the approved Mitigated Negative Declaration.
