

26 PARKS IN 2026

YOUR ROCKLIN. EXPLORE IT ALL.

Rocklin's neighborhood parks are tucked into residential streets, woven through every community, and full of character waiting to be discovered. From March through October, Rocklin Parks and Recreation is spotlighting one neighborhood park each week on social media and inviting you to come along for the journey.

HOW IT WORKS

Each week, we feature a different neighborhood park on Instagram and Facebook at @RocklinParksRec. We share what makes it worth visiting and invite you to go see it for yourself. Follow along, discover something new, and watch your city through fresh eyes.

HOW TO GET INVOLVED

- Visit the parks! Grab your free Park Passport online or at the Parks & Rec Office and check off each park as you go. Aim for all 26 neighborhood parks but do not stop there!
- Share your photos! Snap a photo at any Rocklin park and post it using the hashtags below. We will be featuring community photos throughout the campaign and yours could be next!
- Find us in person! Stop by our booth at city events throughout the year to pick up your Park Passport and connect with the Rocklin Parks and Recreation team.
