- IV. If a promoted employee does not successfully complete the probationary period in the classification to which he/she was appointed, the employee shall be reduced to the classification in which he or she previously worked, unless the reason for rejecting the employee during the promotional probationary period would have been sufficient to cause dismissal from the former position as well. The employee shall serve any remaining portion of the probationary period for the previous classification that was not completed prior to promotion.

ARTICLE 7. PERSONNEL RULES

The Personnel Rules of the City are no longer incorporated within this MOU. When a provision of the Personnel Rules is inconsistent with the MOU, the language contained in the MOU shall govern.

ARTICLE 9. COMPLETION OF BARGAINING

I. Waiver

The parties mutually agree that during the term of this MOU, they unqualifiedly waive the right to and will not seek to negotiate or bargain wages, hours, and terms and conditions of employment whether or not covered by this MOU or in the negotiations leading thereto and irrespective of whether or not such matters were discussed or were even within the contemplation of the parties hereto during the negotiations leading to the MOU. Regardless of the waiver contained in this Article, the parties may, by mutual agreement, in writing, agree to meet and confer about any matter during the term of this MOU.

II. Prohibition of Concerted Actions

The parties to this MOU recognize and acknowledge that the services performed by the City employees covered by this MOU are essential to the public health, safety, and general welfare of the residents of this jurisdiction. AFSCME agrees that under no circumstances during the term of this Agreement will AFSCME recommend, encourage, cause, or permit its members to initiate, recognize, or participate in any strike, sit-down, stay-in, sick-out, slow-down, or picketing related to labor relations matters {hereinafter collectively referred to as a work stoppage), in any office or department of this jurisdiction, that would curtail any work, restrict any production, or interfere with any operation of the City. In the event of such invalidation, the parties agree to meet and confer regarding substitute provisions to those rendered or declared illegal.

SECTION II - COMPENSATION

ARTICLE 11. COMPENSATION

- I. During the term of this Agreement, salaries for all classifications will be adjusted as follows:
- Year 1- Effective the first full pay period following City Council adoption of this MOU the City will increase base wages of all classifications in this Unit by 4.0%.
 - Year 2 - Effective the first full pay period of July, 2024, the City will increase base wages of all classifications in this Unit by 2.5%.
 - Year 3 – Effective the first full pay period of July, 2025, the City will increase base wages of all classifications in this Unit by 2.0%.
- II. The City and the Union agree that the following agencies will be used to survey for compensation and benefits:

City of Davis	City of Roseville
City of Folsom	City of West Sacramento
Placer County	City of Yuba City
City of Lincoln	City of Lodi
City of Elk Grove	City of Woodland

A. Salary Schedules

Each job classification shall have two salary schedules; Schedule A and Schedule B.

B. Move to Salary Schedule B from Salary Schedule A

All employees hired prior to July 1, 2018 shall remain on Salary Schedule A until they have achieved step 6 of the salary range in their respective classification. Upon achievement of step 6, such employees will move to Salary Schedule B.

C. Salary Schedule B

All employees hired on or after July 1, 2018, shall be assigned to Salary Schedule B {Addendum B).

- Effective the first full pay period following City Council adoption of the MOU, Salary Schedule B shall consist of ten (10) salary steps (steps 1 through 10). The increase from step 1 to step 2 shall be approximately 3.5% with all subsequent steps increasing by approximately 3.5% through step 10.

ARTICLE 12. DEFERRED COMPENSATION

- A. For employees hired prior to July 1, 2012, the City will contribute up to one hundred dollars (\$100.00) per month in matching funds for employees who participate in a City-sponsored deferred compensation program.
- B. Employees hired on or after July 1, 2012, shall not be eligible for the City's matching of funds for the City-sponsored deferred compensation program, but may individually participate in the deferred compensation program.

ARTICLE 13. OVERTIME/COMPENSATORY TIME OFF

I. Overtime Payment

- A. Overtime will be paid for all employees.
- B. Employees who are required to work in excess of forty (40) paid hours in a workweek shall be compensated at time and one-half of their regular rate of pay. Vacation and CTO are not considered time worked for purposes of computing overtime.

Upon mutual agreement between the supervisor and the employee, the employee may flex their time, so long as it occurs within the same work week. For purposes of this section "work week" will be defined as Saturday through Friday. For example, if an employee typically is scheduled to work Monday through Friday, and they are asked to work eight (8) hours on Saturday, they may request to flex their time to take that Monday off or another day in that workweek.

- C. Employees who are required to work in excess of twelve (12) continuous hours shall be compensated at double their regular hourly rate for all hours worked in excess of the twelve (12) continuous hours. The payment of double time for these hours will offset the City's requirement to pay for those hours at an overtime rate if an employee is compensated for more than forty (40) hours in that week. All "double time" overtime shall be paid in salary, and employees are not eligible to receive CTO for double time overtime.
- D. When the City approves an employee's attendance at an off-site training workshop, the employee is in paid status during all hours that the workshop is in session with the exclusion of meal periods and social events. The employee will be in paid status for the travel time to and from the workshop that exceeds the employee's regular commute time. The double time payment after twelve (12) continuous hours worked (Section C above) does not apply to off -site training events.

II. Compensatory Time-Off

- A. Employees may choose to accrue CTO hours in lieu of receiving pay for overtime hours worked.
- B. In no event shall an employee accrue CTO hours in excess of ninety-six (96) hours. Once an employee has been credited with compensatory time, the employee may not receive a lump sum payment for the hours accrued unless the employee is separated from City service, or as specified in Section C below. Upon separation, the employee will be paid at his/her regular rate of pay for the remaining compensatory balance.
- C. Employees are expected to request the use of accrued CTO in accordance with the procedures and timelines established by each department or division. The City reserves the right to require the employee to take time off to reduce the accrued hours to the maximum accrual. If the City exercises its right to require the time off, the employee must be allowed thirty (30) days to make arrangements. When the employee is carrying the maximum CTO hours, all overtime must be paid at time and one- half in the pay period worked. In the first pay period in December, the City shall pay the employee for up to forty (40) CTO hours earned through the previous pay period at the then current regular rate of pay. This process will be administered via a form provided by the City.
- D. The department director or his/her management designee shall have the sole discretion in approving or denying the use of accrued CTO hours.

III. Overtime Assignments

- A. Within each job classification, qualified regular full-time employees within each division shall be offered overtime work prior to the offering of overtime work to qualified temporary employees. If no specialized skills are required, overtime will be offered by seniority by department.

- B. Scheduled overtime shall be offered to employees within each job classification within each division or department by seniority per occurrence.

An extension of a work shift is not considered scheduled overtime. A shift extension is not subject to "B" above.

- A. Employees have the option to accept or decline to work scheduled non -emergency overtime. However, if no employee accepts the scheduled overtime assignment, the City shall assign the least senior employee who is qualified and available to work the overtime assignment.
- B. Unscheduled overtime may be required of any employee at any time to respond to an unforeseeable emergency or situation where proper staffing is critical in the sole opinion of the City.

ARTICLE 14. CALL-BACK PAY

When an employee is called back to work after he/she has completed an assigned shift, the employee shall receive a minimum of two (2) hours of compensation, in the form of pay or CTO at the employees' discretion, accrued at one and one-half (1.5) times the employee's regular rate of pay. Time worked for which the employee is entitled compensation shall include reasonable travel to the worksite. Call-back pay shall not apply to situations where the employee has been retained on duty by the employee's supervisor beyond the end of the employee's shift. If this occurs, the employee will be paid for all actual hours worked (at one-and one-half times if exceeding 40-hours within the work week).

Further, this section does not apply if an employee is called either at home or on his/her cellular phone, but is not required to come to work. If this occurs, the employee will be paid for all actual hours worked but not less than one quarter (1/4) hour at one and one-half (1.5) times the employee's regular rate of pay, except that which would be considered de minimis or insignificant as described by the FLSA such as single/independent call or text resulting in only a brief period of time in duration and not proceeded or repeated with other work related calls.

ARTICLE 15. OUT-OF-CLASS PAY

- I. When it is required by the department director or designee that an employee perform a majority of the essential duties of a position in a higher classification, payment for such out-of-classification work shall be five percent (5%) above the regular base pay of the employee for all hours worked in the higher classification. Such pay shall be a minimum of the "1" step of the higher classification, and no more than the maximum of the highest step of the higher classification.
- II. Eligibility for out-of-class pay will be subject to the following conditions:
 - A. The employee must meet the minimum qualifications of the higher classification.
 - B. The assignment to work in the higher classification must be made by the department director or designee in writing.

- C. Employees who are assigned to the higher class must be required to perform a substantial number of the essential tasks of the higher-level position.
 - D. An employee will be eligible for out-of-class pay when assigned to perform the duties of a higher classification for at least five (5) consecutive work days. When an assignment meets these eligibility conditions, the employee shall be paid retroactive to the first date of the assignment and shall continue for the remainder of the assignment.
 - E. Out-of-class hours must be noted on the timesheet.
- III. Assignment to out-of-class positions shall be limited to nine hundred sixty (960) hours in a fiscal year.

ARTICLE 16. STANDBY PAY

Any employee who is required to remain on standby outside of a regularly scheduled work shift shall receive three dollars (\$3.00) standby pay for each hour assigned to standby. Compensated standby hours shall not be included in hours worked for overtime pay calculations. When applicable, employees shall be offered rotational standby duty on a voluntary, day-to-day, as needed basis. The City reserves the right to assign employee(s) on a rotational basis to the standby program, if the number of qualified volunteer employees is insufficient. Employees who are called in to work while on standby, shall be compensated in accordance with the provisions of Article 14, Call-Back Pay.

ARTICLE 17. SHIFT DIFFERENTIAL PAY

Eligibility

An employee shall receive a shift differential of six percent (6%) of base pay for all hours worked when one-half (1/2) or more of the regularly scheduled work hours fall between the hours of 6 p.m. and 6 a.m. The shift differential will not apply to employees whose regular shifts are day shifts and who are receiving overtime compensation for working additional hours which may fall outside of the day shift. Actual hours worked must be noted on time sheet (i.e., 2 p.m.-10 p.m.).

ARTICLE 18. EDUCATION INCENTIVE PAY

- I. All employees shall be eligible for education incentive pay as follows:
 - A. Associate’s Degree: \$75.00/Mo.
 - Bachelor’s Degree: \$125.00/Mo.
 - Master’s Degree: \$150.00/Mo.

This incentive is non-cumulative, and is paid at the highest rate for which an employee is qualified.

- B. Education Incentive pay shall not be applicable to employees in those classifications that require an Associate's or Bachelor's degree as a minimum qualification to work in the class.

Effective Dates

- A. Payment of education incentive will begin effective the first day of the pay period following when the employee provides the Human Resources Division with the appropriate documentation, which would include a copy of the transcripts or diploma. It is the responsibility of each employee to notify the Human Resources Division of his/her eligibility for education incentive and to provide the appropriate documentation.
- B. Employees hired on or after July 1, 2012, shall not be eligible for the Education Incentive Pay pursuant to this Article.

ARTICLE 20. EFFECTIVE DATES

The City shall implement all salary changes at the beginning of the pay period that includes the effective date of the change.

II. Use of Leave

The employee may elect to use any accrued unused leave time to cover the period of her disability leave, which would otherwise be unpaid. During the period of her disability, an employee's paid leave will be integrated with any SDI benefits she may receive. Any accrued vacation leave, or other accrued time off may be used at the option of the employee before an employee's unpaid leave begins, except as provided below.

- A. During the period of her disability, an employee's paid leave will be integrated with any SDI benefits she may receive.
- B. An employee may retain up to forty (40) hours of accrued vacation leave for use upon her return from maternity leave.
 - 1. The retained vacation leave may be used for purposes of sick leave and medical appointments for the employee and her dependents for a period of six (6) months after her return from maternity leave.
 - 2. Vacation leave used for this purpose will be used in increments of no less than two (2) hours.

III. Extension of Leave

- A. An employee may request to use family leave to extend her maternity leave as follows:
 - 1. Upon recovery from her pregnancy-related disability, an employee may request up to twelve (12) weeks bonding leave per the California Family Rights Act (CFRA) in accordance with California Government Code Section 12945.2.

Bonding Leave must be taken in increments of two (2) weeks or more, however on two (2) occasions the employee may take such leave in smaller increments.

2. An employee who has not recovered from the pregnancy-related disability upon expiration of the four (4) months to which she is entitled under Government Code Section 12945 (b) (2) may request up to twelve (12) weeks family leave to recover from her disability. This leave may be granted under the terms and conditions of CFRA.
 - B. An employee who has not recovered from her pregnancy-related disability at the expiration of the twelve (12) weeks of Family Care and Medical Leave, may request an extension of her leave of absence for an additional ninety (90) days under the terms and condition of Article 41, Leave of Absence Without Pay. The City may grant the extension, if conditions warrant such an extension.
 - C. Except where specifically stated in this policy, Maternity leave will be governed by the terms and conditions of Article 41, Leave of Absence Without Pay.

ARTICLE 41. LEAVE OF ABSENCE WITHOUT PAY

- I. Leave of absence without pay may be granted to any employee with the approval of the department director or his/her designee for: (1) illness beyond that covered by sick leave; or (2) other personal reasons which do not impair the effectiveness of the City.
 - A. To be eligible for a leave of absence for personal reasons, an employee must have received a satisfactory performance appraisal and no formal disciplinary actions in the 12 months prior to the request.
 - B. Terms and conditions of the leave shall be specified in writing.

II. Duration

Leave of absence may be granted for a period not to exceed ninety (90) days. At the request of the employee, the City Manager may extend a leave of absence up to an additional ninety (90) days. The City Manager will consider the employee's circumstances and balance those needs against the impacts to the City created by the employee's continued absence.

A leave of absence may be revoked by the department director upon evidence that the cause for granting the leave of absence was misrepresented or has ceased to exist.

IV. Return Upon Expiration of Leave of Absence

If neither the former position or an equivalent position is available, the employee will be reassigned to a vacant position for which he/she is qualified. The salary for the employee in the reassigned position will be established in accordance with Section III of Article 47, Reclassifications.

V. Non-Qualifying Service

A leave of absence of thirty (30) days or more shall not be counted as qualifying service for the purposes of accruing vacation, sick leave, and merit salary adjustments. An employee on leave who has exhausted his/her maintenance of benefits extension granted under FMLA and CFRA may maintain health, dental, vision, LTD, and life insurance policies by remitting full monthly premium payments to the City or to the individual carriers if so directed by the City. The City will pay no portion of such premium while the employee is on unpaid leave.

VI. Leave Usage

All accrued vacation and CTO must be used prior to the effective date of leave of absence without pay.

- C. Ordinarily, the work hours will be scheduled consecutively (8 a.m. - 5 p.m., for instance), Monday through Friday. Exceptions to the work schedule can be established by the City, and assignments to the new schedule may be mutually agreed between individual employees and the City. Once agreed upon, the employee may notify the Union.

If mutual agreement cannot be reached between the City and individual employees concerning the exception, the City shall assign the least senior qualified and available employee in the classification to the newly scheduled workweek. The City reserves the right to establish work schedules to meet its operational needs.

- D. Employees may request an Alternate Work Schedule by completing an Alternate Work Schedule Request Form. Approval of an Alternate Work Schedule shall be on a case-by-case basis and at the sole discretion of the City.

III. Work Shift or Work Schedule Change

- A. In the event the City intends to make a permanent change to an employee's assigned shift or work schedule, the City will provide the employee with written notice at least thirty (30) calendar days in advance of the date of change.

- E. Any changes to Alternate Work Schedules are at the sole discretion of the City and the timelines outlined in the Alternate Work Schedule Request Form shall be followed.
- F. The City agrees that it shall not change an employee's work shift or work schedule solely for the reason of avoiding payment of overtime.

IV. Meal Breaks and Rest Periods

- A. Unpaid meal breaks will be scheduled approximately mid-point during the employee's work schedule and may be either thirty (30) minutes or one hour in length, depending on the City's operational needs. Times for meal breaks will be established by the City.
- B. All employees shall be allowed rest periods not to exceed fifteen (15) minutes during each four (4) consecutive hours of work. Such rest periods will not be scheduled within one (1) hour of the beginning or the end of the workday or meal break and may be accumulated into one extended break period upon mutual agreement between employee and their supervisor.

ARTICLE 43. OFF-DUTY/OUTSIDE EMPLOYMENT

- I. No employee shall accept any employment during off-duty hours either within or outside the City unless the proposed employer provides general liability and workers' compensation coverage and the employment will not create a conflict of interest nor be incompatible with the employment by the City. Incompatibility of employment is outside employment that impairs an employee's ability to perform the duties of his/her City job as required.
- II. Individuals who are self-employed on off-duty hours shall be exempt from the requirement to show proof of workers compensation or general liability insurance, but will be expected to fulfill the requirement to show that the self-employment will not create a conflict of interest nor be incompatible with the employment by the City.
- III. - I. Employees will be notified by July 1 of each year if and when the furlough is scheduled.
- II. Supervisors will notify those employees who will either be required to work, or be assigned to be on stand-by during the furlough by November 1. Employees assigned to be on stand-by during the holiday furlough shall have the option of working during this period.
- III. During the furlough period, employees may use accrued CTO, vacation or take the time off without pay. The furlough will not affect health benefits and leaves and seniority will continue to accrue.
 - A. Any new regular employee hired on or after pay period 20 of each year, who does not have sufficient time to accrue vacation to use during the furlough may be advanced vacation time to cover the non-holiday time during the furlough. Employees may request an advance using the prescribed form. If requesting such an advance of vacation leave, following the furlough period, the employee's vacation will reflect a negative balance and any future vacation accruals shall be deducted until the vacation advance is fully repaid. The employee shall not take vacation leave until a positive leave balance is restored.

ARTICLE 45. JOB POSTING AND CANDIDATE QUALIFICATIONS

I. Posting

Notice of job openings of vacant Public Service Employees Bargaining Unit positions will be emailed to all Union employees on the City's e-mail distribution list. The recruitment period will be a minimum of five (5) work days. The City may advertise externally concurrently with the internal posting. Inquiries regarding posted vacancies must be referred to the Human Resources Division. If the City reclassifies an incumbent, the posting requirement is waived.

II. Transfer Requests

In filling such vacancies, requests for lateral transfer will be given first consideration.

III. Internal Applicants

- A. Employees in the Union who apply for the vacancy and meet the minimum qualifications will be invited to participate in the testing process with all other qualified candidates. Current employees will be given "extra" consideration during the testing process through the following means:
 - 1. If the employee passes the written exam (if given), an additional five percent (5%) of the total points available will be added to the employee's total score.
 - 2. If the employee passes the oral examination (if given), an additional five percent (5%) of the total points available will be added to the employee's total score.
 - 3. Under no circumstances will the additional five percent (5%) be added to a failing total score.
- B. An employee who fails to meet minimum standards in any portion of the selection process will be so notified in writing by the Human Resources Division.

IV. Voluntary Demotions

- A. An employee who wishes to take a voluntary demotion to a vacant position may request such action in writing to the Human Resources Division. That employee will be certified as eligible to the elected class if he/she meets the minimum qualifications and the demotion is within the class series the employee currently occupies. When these criteria are met, the employee will be considered for a vacant position along with those certified as eligible on the current eligibility list.
- B. If an employee wishes to take a voluntary demotion to a vacant position outside the class series he/she currently occupies, he/she must compete successfully in the application and examination process.

- C. If the employee is selected for the vacancy and has not previously served a successful probationary period in the classification, he/she will be required to successfully complete a six (6) month probationary period.

ARTICLE 46. NEW CLASSIFICATIONS/MODIFICATIONS TO EXISTING CLASSIFICATIONS

When the City establishes a new classification or modifies the job specifications for an existing classification which is assigned to the Public Service Employees Bargaining Unit, the City will meet and confer with the Union concerning the appropriate salary, the job description, or classification specification for the classification.

Once an agreement has been reached, both parties shall sign and date the final version of the class specification.

ARTICLE 47. RECLASSIFICATIONS

I. Policy

- A. Reclassification is defined as a change in the class of an individual by raising it to a higher class, reducing it to a lower class, or by moving it to another class at the same level on the basis of significant changes in kind, difficulty, or responsibility of the work performed in the position. In no circumstance shall reclassification be used to reduce salary levels unless significant changes in kind, difficulty, or responsibility of the work performed provide the basis for such action.
- B. Reclassification actions will be governed by the provisions of this Article. All reclassification actions are subject to the approval of the City Manager.
- C. When the City assigns duties to a position which causes material changes to duties and responsibilities of that position, the Human Resources Division shall recommend the allocation of the position to a more appropriate class.
 - 1. Duties voluntarily assumed by an employee may not be cause for reclassification.
 - 2. If the reclassification occurs because of a reorganization of a department/division, rather than the gradual accretion of assigned duties, incumbents may or may not be reclassified with their positions based on their qualifications, City needs, and the recommendation of the appropriate department/division director, in coordination with the Human Resources Division, and the approval of the City Manager.

II. Request for Reclassification

- A. An employee holding a regular position may request a classification review for the purposes of reclassification twice per year, once in January and August of each year. The request shall be made in writing on the prescribed form and shall contain

written justification identifying the factors which support the need for a reclassification review. Such request will be reviewed by the Human Resources Division and the Department Director to determine if a classification review is warranted. The City shall notify the Union when a reclassification request has been made or when a study is to be performed. The City may elect to perform a classification review of certain classes or positions, whether or not such review is requested by an employee.

- B. Once the reclassification request is received on the prescribed form, the HR Division will send the incumbent(s) a Position Description Questionnaire (PDQ) for completion. A comprehensive classification analysis will not be conducted until a PDQ is completed by the incumbent, reviewed by the supervisor/manager, and returned to the Human Resources Division. The Human Resources Division will acknowledge receipt of a completed PDQ within seven (7) days of receipt and if a classification review is warranted, a schedule will be established and the employee will be notified.

The City will make every reasonable effort to complete the review within sixty (60) days of acknowledging receipt of a completed PDQ. Employees will be kept informed of the status of the review as it progresses.

III. Salary Determination

The salary of an employee in a position that is reclassified shall be determined as follows:

- A. **Reclassification to Same Salary Range**

If the position is reclassified to a class with the same salary range as the previous class, the salary rate and the City-wide seniority date and salary anniversary date of the employee shall not change. This provision shall also apply to a change of class title.

- B. **Reclassification to Higher Salary Range**

If the position is reclassified to a class with a higher salary range than the previous class, then the salary rate of such employee(s) shall be set at the salary step in the higher class which provides a minimum of a five percent (5%) salary increase. If the increase would place the employee above the top of the appropriate salary range, the employee will be placed at the top of the new salary range. If a reclassification review takes longer than sixty (60) days to complete, upon approval, the employee will receive the increase in pay retroactive back to the pay period sixty (60) days after acknowledgement of a completed Job Analysis Questionnaire.

- C. **Reclassification to Lower Salary Range**

If the position is reclassified to a class with a lower salary range than the previous class, the employee's salary shall be "Y" rated until general cost of living increases, equity adjustments, or other salary range adjustments result in the "Y" rate being incorporated into the lower salary range.

IV. General Provisions

- A. Reclassifications shall be effective on the first day of the pay period immediately following the date of the approved reclassification.
- B. A reclassified employee shall not be required to serve a new probationary period and his/her City-wide seniority date shall not change. The salary anniversary date for an employee reclassified to a position in a higher salary range shall be changed to the effective date of the reclassification. When an employee is reclassified the Union agrees to waive the posting requirement. The salary anniversary date for an employee reclassified to a position in a lower salary range shall not change.
- C. An employee whose salary is "Y" rated will not be eligible for cost of living or merit increases until general cost of living increases, equity adjustments or other salary range adjustments result in the "Y" rate being incorporated into the employee's salary range.

ARTICLE 48. EMPLOYEE PERSONNEL RECORDS

I. Official Personnel File

- A. The City shall maintain a file that will contain all official records and documents pertinent to the employment status and history of each employee. The confidential information in personnel files will not be revealed to outside sources except as required by law, or with the written consent of the employee.
- B. An employee shall be given a copy of any written materials concerning his/her performance or conduct prior to its placement into the employee's personnel file. An employee's signature on any such document or materials will not necessarily indicate the employee's agreement with the contents of the document/materials, but it will indicate that the employee has had an opportunity to review the document/materials.
- C. Employees may submit a written response or rebuttal to any statement or evaluation to be placed in the personnel file. Such response or rebuttal must be received by the employee's supervisor within ten days of his/her receipt of the document/materials. The employee response shall remain a part of the employee's personnel records for the same duration as the document/materials to which it refers.

II. File Review

- A. Upon proper request, an employee, the employee's immediate supervisor, the appropriate department director or division manager, or (with the written consent of the employee) his/her Union representative may inspect the employee's personnel file during the normal working hours of the Human Resources Division. Such permission shall not be unreasonably withheld.

- B. Upon request, an employee or (with an employee's written authorization) his/her union representative shall be given a copy of any written material which is part of his/her personnel record.
- C. The Human Resources Division will also provide access to the file for appropriate individuals conducting business necessary for the proper administration of City affairs.

ARTICLE 49. EMPLOYEE PERFORMANCE EVALUATIONS

- I. The City shall conduct employee performance evaluations on City-issued evaluation forms which may include a narrative attachment. Employees will be eligible for any appropriate annual step increase in the pay period which includes their anniversary date unless the Human Resources Division has received an employee's overall performance evaluation that is less than "meets job requirements" (or equivalent language), or the employee has reached the top step of his/her classification. No disciplinary action will be taken against an employee based on any issues raised in a performance evaluation if such issues occurred more than 365 days prior to the date the employee received the evaluation.

II. Probationary Evaluations

An employee shall receive no less than three (3) performance evaluations during the twelve (12) month initial probationary period. An employee promoted into a new classification will receive no less than two performance evaluations during his/her six (6) month probationary period. Such evaluations will be conducted at reasonable intervals. Probationary periods may be extended in accordance with Article 6 of this Agreement.

III. Employee Rights

- A. Any employee has the right to file a written statement and/or a rebuttal to be attached to his/her performance appraisal and placed in the personnel file. Such statements must be filed with the reviewer within five (5) working days of receiving the evaluation.
- B. An employee who disagrees with a less than satisfactory overall performance rating may, within ten (10) working days of receiving the evaluation:
 - 1. Informally appeal the evaluation to the supervisor of the reviewer.
 - 2. If the employee is not satisfied with the response of the supervisor of the reviewer they may appeal the evaluation to the department director.
 - 3. Once the appeal to the department director has been filed and a decision rendered, no further appeal is available to the employee.

ARTICLE 50. PAYROLL ERRORS

I. Policy

- A. When an error has been made in an employee's compensation, including base salary, overtime, leave usage/accruals, premium pay, or payroll deductions, the City shall make the appropriate adjustments to correct the error. Employees shall be notified of the adjustments in writing.
- B. For purposes of this section, "overpayment" means any amount of compensation as defined above that has been overpaid or over credited to an employee regardless of the reason, including but not limited to administrative, clerical, or system errors. Similarly, "underpayment" means any amount of compensation as defined above that has been underpaid or under credited to an employee, regardless of the reason, including but not limited to administrative, clerical, or system errors.

II. Overpayment

In the case of overpayment, the employee's compensation shall be adjusted as soon as possible to the correct amount and reimbursement of the overpayment shall be mutually agreed upon between the City and the employee. The employee shall not be responsible for an overpayment error which goes beyond two (2) years prior to the discovery of the overpayment.

III. Underpayment

In the case of an underpayment, the employee's compensation shall be adjusted to the corrected amount, and the City shall reimburse the employee as soon as possible. The City will not be responsible for an underpayment error which goes beyond two (2) years prior to the discovery of the underpayment.

ARTICLE 51. GRIEVANCE PROCEDURE

I. Purpose

The purpose of the following provisions is to set forth, simply and clearly, the provisions that shall govern the processing, hearing and decision on a grievance.

The purposes of these procedures are to (1) resolve grievances informally at the lowest possible level; (2) provide an orderly procedure for reviewing and resolving grievances promptly; and (3) determine and correct, if possible, the cause of grievances.

II. Procedure

Step 1. Within ten (10) days from the event giving rise to a grievance or from the date the employee could reasonably have been expected to have had knowledge of such event, the grievant shall orally discuss the grievance with his/her immediate supervisor. A supervisor shall have five (5) days to give a response to the employee.

Step 2. If a grievant is not satisfied with the response proposed at Step 1, he/she may within ten (10) days of the receipt of such response file a formal written grievance to the next level of supervision in the department which contains a statement describing the grievance, the section of the Agreement allegedly violated, and the remedy requested. The grievance shall be signed and dated by the grievant(s). The supervisor shall, within five (5) days thereafter give a written response to the grievant.

Upon completion of Step 2, an employee whose immediate supervisor is a department director will be deemed to have completed Step 3 and be eligible to proceed to Step 4.

Step 3. Within thirty (30) days of filing the Notice of Request for Arbitration, the appealing party will obtain from the State Mediation and Conciliation Service (SMCS) a list of seven (7) arbitrators. The selection of the arbitrator from the list shall occur by each party alternately striking names from the list, with the appealing party striking the first name. The appealing party shall notify the SMCS of the arbitrator selected.

The arbitrator shall conduct an evidentiary hearing in accordance with the American Arbitration Association Voluntary Arbitration Rules. The decision of the arbitrator shall be advisory only. The arbitrator's fees and costs shall be borne equally by the parties. The costs of the arbitrator's transcript, if jointly requested, shall also be borne equally by the parties. All other expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring the expense. For purposes of this section, the parties shall be considered as the City of Rocklin and the Union, or if a grievant is representing himself or herself, the City of Rocklin and the grievant.

The arbitrator shall prepare a written advisory decision which shall include a statement of the decision, the facts upon which it was based, and a full description of the remedies or

corrections suggested. The arbitrator's decision shall be sealed and filed with the City Manager and appealing party.

If both the City Manager and appealing party accept the advisory decision, then the matter is concluded. However, if either party or both parties should disagree with the arbitrator's decision, it/they may appeal said decision to the City Council. The City Council may accept the advisory decision and order its implementation, may modify and implement the decision and any remedies or corrections suggested, or may reject the decision. The City Council will provide a copy of the arbitrator's decision to the appealing party with the City Council's decision within thirty (30) days of receipt of the arbitrator's decision.

III. General Provisions

ARTICLE 52. DISCIPLINE

- I. General Policy- Disciplinary procedures do not apply to probationary employees. It is the responsibility of all employees to observe rules of conduct necessary for the proper operation of City government. The disciplinary process outlined below has been established to provide general guidelines for a fair method for disciplining employees.
- II. Grounds for Disciplinary Action- Good cause for disciplinary action exists not only when there has been an improper act or omission by an employee in the employee's official capacity, but when any conduct by an employee brings discredit to the City, affects the employee's ability to perform his/her duties, causes other employees not to be able to perform their duties, or involves any improper use of the employee's position for personal advantage or the advantage of others. The type of disciplinary action shall depend on the seriousness of the offense and the relevant employment history of the employee. IV. Counseling is not considered discipline. The two types of counseling are defined below:

- A. Verbal Counseling: An opportunity to communicate in a non-punitive fashion that a problem is perceived and that the supervisor is available to help solve it. This action is not appealable.
- B. Documented Counseling: To communicate to the employee in writing that a repeat action may result in discipline. A copy of this counseling is given to the employee and one copy is filed in the supervisor's working file until the employee's next performance evaluation, where such counseling may be noted and then removed from the supervisor's file and destroyed. This action is not appealable.

V. Formal Disciplinary Actions

- A. Written Reprimand: A written communication to the employee that an offense has been committed. The employee's immediate supervisor shall inform the department director of the disciplinary matter prior to the issuance of the written reprimand. A copy of the reprimand is given to the employee and one copy is filed in the employee's personnel file. Further steps in the disciplinary process will not be taken without the approval of the department director. The employee can request to discuss the reprimand with the department director or his/her designee within five (5) days from receiving the reprimand. The department director or his/her designee may uphold or modify the reprimand. This action is not appealable.

If the employee receives a letter of reprimand and no subsequent disciplinary action has been taken by the City during the following three (3) years, the employee may request removal of that letter of reprimand from the personnel file. Such request for removal shall not be unreasonably denied.

- B. Short-Term Suspension: A suspension without pay for three (3) days or less may be proposed by the department director or his/her designee, with notification to the Human Resources Division. The employee may respond to the charges at the time the suspension is proposed.

Short-term suspensions may be appealed as designated below.

Step 1: The disciplined employee may within five (5) days from receipt of the proposed notice of discipline file a written appeal to the Human Resources Manager. Within ten

(10) days of receipt of the written appeal, the Human Resources Manager or his/her designee shall convene a meeting with the concerned parties. Within ten (10) days following the meeting, the employee will receive a final order upholding, modifying, or revoking the proposed discipline.

Step 2: If the employee is not satisfied with the Step 1 response, the employee may submit the dispute to advisory arbitration following the procedure in Section VIII of this Article.

- C. Long-Term Suspension, Reduction-in Pay, Demotion, and Dismissal: Subject to the pre-disciplinary procedures hereinafter specified, the department director or his/her designee in consultation with the Human Resources Manager may:
 - 1. Impose a suspension without pay for four (4) working days or more upon an employee. Such suspension shall, however, not exceed a period of thirty (30) working days except if the suspension is imposed because of an employee's trial by a court of law, the suspension may extend to such a time that the court has rendered its decision.
 - 2. Place an employee at a lower salary step in the employee's current range.
 - 3. Demote an employee to a position in a lower class with an appropriate reduction in pay.
 - 4. Dismiss an employee from City service.

VI. Although one or more of these steps may be taken, no formal order or system is necessary. The City reserves the right to deviate from this process when it feels that circumstances warrant such a deviation. The severity of the action depends on the nature of the offense and an employee's record, and may range from verbal counseling to dismissal.

VII. Pre-disciplinary Procedures (Skelly Process)

- A. Prior to imposing a suspension of four days or more, a reduction -in-pay, demotion, or dismissal, the City shall first provide the employee with a written notice of reasons for the proposed action. The notice shall either be delivered personally to the employee or sent by Certified Mail, Return Receipt Requested, and shall notify the employee of his/ her right to request a pre-action response meeting to determine if there is cause for the proposed personnel action. A request for a meeting must be made to the Human Resources Manager on or before seven (7) days after the notice of intended action is delivered to the employee.
- B. Upon receipt of the employee's request, the Human Resources Division shall notify the employee of the time and place for the response meeting to be held. Such meeting will be held within ten (10) days after receipt of the request therefore. The employee shall be entitled to be present at the meeting together with a designated representative. Pre-action response meetings are to be conducted by the appropriate

City official informally, and shall provide the employee with the opportunity to refute, explain, or otherwise address the proposed statement of charges. The final decision on discipline shall be rendered within ten (10) days after conclusion of the meeting, and shall be final unless timely appealed by the employee.

- C. The appropriate City official is the City official authorized to impose the discipline unless that official was involved in the underlying cause of the discipline in such a manner as to impair the official's impartiality. In such cases, the City Manager shall designate another City official to conduct the meeting.

VIII. Appeal Process for Long-Term Suspension, Reduction-in-Pay, Demotion, or Dismissal

- A. An employee subject to a long-term suspension, reduction-in pay, demotion, or dismissal after the pre-disciplinary meeting may appeal such action by filing a Notice of Request for Advisory Arbitration with the Human Resources Manager. The appeal shall contain a full discussion of the reasons which the employee is asserting as justification of the appeal. The request must be received by the Human Resources Manager within ten (10) days after the employee received the written statement of disciplinary action.
- B. Within thirty (30) days of filing the Notice of Request for Advisory Arbitration, the appealing party will obtain from the State Mediation and Conciliation Service (SMCS) a list of seven (7) arbitrators. The selection of the arbitrator from the list shall occur by each party alternately striking names from the list, with the appealing party striking the first name. The appealing party shall notify the SMCS of the arbitrator scheduled.
- C. The arbitrator shall conduct an evidentiary hearing in accordance with the American Arbitration Association Voluntary Arbitration Rules. The decision of the arbitrator shall be advisory only. The arbitrator's fees and costs shall be borne equally by the parties. The costs of the arbitrator's transcript, if jointly requested, shall also be borne equally by the parties. All other expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring the expense. For purposes of this section, the parties shall be considered as the City of Rocklin and the Union, or if a grievant is representing himself or herself, the City of Rocklin and the grievant.
- D. The arbitrator shall prepare a written advisory decision which shall include a statement of the decision, the facts upon which it was based, and a full description of the remedies or corrections suggested. The arbitrator's decision shall be sealed and filed with the City Manager and appealing party. The City Manager may accept the advisory decision and order its implementation, may modify and implement the decision and any remedies or corrections suggested, or may reject the decision. The City Manager will provide a copy of the arbitrator's decision to the appealing party with the City Manager's decision within ten (10) days of receipt of the arbitrator's decision.

ARTICLE 53. LAYOFF/REDUCTION IN FORCE

- I. The City may undertake a reduction in force for any or all of the following reasons: lack of work, lack of funds, a material change in duties or organization, in the interests of economy, or for any other good cause.

The need to reduce the City's work force, or to alter or change its staff organization plan, or to discontinue any program or programs is within the sole and exclusive discretion of the City. The City Manager shall consider implementation of alternate cost saving measures prior to implementing a layoff. If it becomes necessary to reduce the City's staff, the City Manager shall analyze the status of the City's funding resources and the remaining work which must be accomplished. The City Manager shall define the work to be performed and the organizational structure necessary to accomplish the City's work program. The City Manager shall identify employees for layoff utilizing the system as described below:

- II. Order of Layoff:

Employees within the same classification shall be laid off as follows:

- A. All temporary employees shall be laid off in an order determined by the City Manager before any probationary employees.
- B. All part-time probationary employees shall be laid off in an order determined by the City Manager, before any full-time probationary employees.
- C. All probationary employees shall be laid off in an order determined by the City Manager before any regular employees.
- D. All part-time regular employees shall be laid off in an order determined by the City Manager before any full-time regular employee.
- E. When it becomes necessary to reduce the force in any department by layoff of regular full-time employees, seniority shall be the determining factor.

- III. Seniority:

- A. Seniority will be determined by the length of continuous service in the affected classification. Approved leaves taken in accordance with FMLA/CFRA regulations and layoffs of less than one year shall not constitute a break or interruption in service for purposes of determining continuous service. Seniority shall not include any time an employee was not working due to disciplinary reasons (i.e. suspension), or not actually in City employment due to his/her voluntary or involuntary termination, retirement, or layoff which exceeds twelve (12) months. Seniority shall be adjusted for approved leaves of absences of more than thirty (30) days commensurate with the length of the leave(s) of absence.

- B. If due to a previous layoff/reduction in force an employee was displaced (bumped) from a higher-level class, length of continuous service for the purpose of calculating seniority shall include the total of the following:
- Time served in the classification with the identical title, or the same classification which has been re-titled.
 - All time served in the affected classification from bumping date forward.

IV. Bumping Rights:

- A. Employees notified of a pending layoff shall have bumping rights to a lower class which they previously occupied, and for which they meet the minimum qualifications. If an employee should elect to exercise his/her bumping rights as provided herein then such employee shall be compared against all employees within the said lower classification in accordance with the foregoing methodology. In order to exercise their bumping rights, an employee must submit their request to bump in writing to the Human Resources Division within five (5) working days of receipt of the layoff notice.
- B. Employees bumping to a lower class shall be placed at the salary step representing the least loss of pay. In no case shall the salary be above that received in the class from which the employee was laid off. The salary anniversary date of the employee shall not change.
- C. Employees bumping to a lower class shall serve a probationary period unless they have previously successfully completed a probationary period in that classification.

V. Notice of Layoff:

Regular employees shall be notified of layoff at least thirty (30) calendar days in advance of the effective date of the layoff. The notice shall either be handed to the employee or delivered by certified mail to the latest address the employee provided to the City. Proof of service shall be accomplished by certified mail or declaration of personal delivery. AFSCME representative must be notified of layoffs.

VI. Re-employment:

- A. In the event of a layoff, the City shall maintain a re-employment list for each class impacted by layoff for a period of twenty-four (24) months. Re-employment shall be per class based on total City seniority. No new hires in any class where layoffs occurred will be made until the re-employment list is exhausted.
- B. Laid off employees, who are offered and refuse re-employment; who do not respond to a notice of re-employment; or who do not report for work within fourteen (14) calendar days of notice of re-employment shall be removed from the re-employment list and shall be deemed to have waived all rights to re-employment. Notice of re-employment shall be served on the employee by certified mail at the latest address listed in City personnel records. It's the employee's responsibility to

inform the Human Resources Division of any address changes they have after layoff. The notice shall be deemed served four (4) calendar days following the date it was mailed.

- C. Upon re-employment from layoff, prior service will be counted for purposes of accruing sick leave, vacation and seniority for determining probationary status and merit salary increases. Unused sick leave shall be reinstated upon the re-employment of the employee.

SECTION VI - UNION RIGHTS

A written list of officers of the Union, who are designated as the Union's representatives, and the Union stewards with the specific areas they represent shall be furnished to the City immediately after their designation. The Union shall notify the City promptly in writing of any changes of such Union officers or stewards.

SECTION VII - MISCELLANEOUS PROVISIONS

ARTICLE 61. MODIFIED DUTY

- I. This program covers Union employees being treated for an illness or injury when it is determined by the treating physician that they may be able to return to work on a temporary basis with modified duties/tasks. The modified duty assignments are intended to be temporary in nature and shall be based upon the employee's medical restrictions and the City's operational needs. Modified duty assignments are NOT to be considered permanent placements and typically will not exceed ninety (90) days.
- II. Modified Duty Assignments:
 1. Shall be made based on the needs of the City.
 2. When it is determined by the treating physician that an employee is able to return to work, it will then be the employee's responsibility to notify the Human Resources Division. It is the responsibility of Human Resources to provide the Medical Restrictions Evaluation Form (Appendix B) to the employee and attach a copy of the employee's job specifications, which includes the physical requirements of their job. It is the employee's responsibility to have the form completed by their treating physician. The completed form is then to be returned to the Human Resources Division.
 3. The goal shall be to make the assignment no later than five (5) days after the City receives a completed City provided Medical Restrictions Evaluation Form (Appendix C) from the injured worker's treating physician.
 4. Assignments shall end upon:
 - The date of release from all medical restrictions by the treating physician
 - The injured worker's placement in a rehabilitation plan due to permanent restrictions
 - The unavailability of modified duty assignments as determined by the Human Resources Manager. When determining the availability of assignments, the Human Resources Division shall give preference to employees who have sustained work related illnesses or injuries. Should there be a denial of an employee's workers' compensation claim, the employee shall be treated as an employee who has not suffered a work-related injury. If necessary, an employee who is on a modified duty assignment due to a non-work-related illness or injury shall be replaced by

an employee who has subsequently qualified to be assigned to a modified duty assignment due to a work-related illness or injury.

5. Generally, the modified duty assignment under this program shall not exceed ninety (90) calendar days. The Human Resources Division and the department director must approve, in writing, the extension beyond ninety (90) calendar days and at thirty (30) calendar-day intervals thereafter.
6. Prior to working a modified duty assignment, the employee shall be informed, in writing, utilizing a Modified Duty, Return to Work Assignment form (Appendix C) of the conditions and restrictions of the modified duty assignment.
7. Modified duty assignments shall be allocated based on the needs of the City as determined by the Human Resources Division. An employee assigned a modified duty assignment may be subject to changes in department or/or duties; however, every effort will be made to avoid changes in shift assignment.

III. Salary and Benefits While on a Modified Duty Assignment

1. Employees shall receive their regular salaries, sick leave accrual, vacation leave accrual, and other benefits consistent with the terms of the MOU.
2. Employees shall report for their modified duty assignment when assigned.
3. Failure to report for duty as assigned may constitute insubordination and result in disciplinary action up to and including discharge.
4. Employees have the right to refuse a modified duty schedule for a non-work-related injury due to physical reasons/limitations, or to use vacation time in lieu of the offered modified duty.

IV. Medical Restrictions Evaluation Form

An employee's treating physician must complete a City provided Medical Restrictions Evaluation Form (Appendix C), and identify in writing the employee's limitations and restrictions in sufficient detail to enable the Human Resources Division to determine a suitable work assignment.

WHEREAS, the parties hereto have entered into this Memorandum of Understanding on the 12 day of, September, 2023.
