2008 Annual Report

To the Citizens of Rocklin,

Welcome to the 2008 Annual Report of the Rocklin Police Department. The men and women of RPD achieved many things in the past year. This publication is a way of memorializing some of those achievements.

Most significant of our achievements in 2008 was being awarded our initial accreditation from the Commission on Accreditation of Law Enforcement Association (CALEA). This endeavor took nearly three years to complete and touched on every facet of our organization and its activities. The accreditation process provided a road map to create systems, policies and inspection practices necessary to sustain excellence for years to come. *See page 5 for more information.*

Eleven new full and part-time employees were added to our ranks in 2008 to replace vacancies. Rocklin Police Volunteer Class #6 graduated 21 new volunteers to bring our volunteer staff ranks to over 110 members. *See Page 16 & 21 for more information.*

2008 brought some fiscal challenges due to a slowing economy. Staff members worked hard to find operational and staffing economies. Four police officer positions were left vacant, one patrol K9 officer position was eliminated in addition to some severe operational belt tightening. Even through the challenges, I truly enjoyed serving the community of Rocklin with the many dedicated and selfless individuals who make up the Rocklin Police Department.

Please take the time to learn more about your police department by reading this publication and/or by visiting our website at www.rocklinpd.com .

Office of the Chief

The Office of the Chief is made up of the Chief of Police and his immediate staff. This office is responsible for fostering an environment that empowers leadership, promotes vision, and creates strategy while securing the resources to execute the Department's mission and achieve our goals.

The Office of the Chief serves as the primary administrative, fiscal, and research entity for the Department. Personnel provide professional administrative support to the Chief and the other divisions. In 2008 the Police Department budget was \$13.8 million dollars.

The Commission on Accreditation for Law Enforcement Agencies (CALEA) accredited the Rocklin Police Department in March 2008. Rocklin joins only 5 other municipal law enforcement agencies in California to achieve accredited status. The CALEA accreditation process provides law enforcement agencies an opportunity to demonstrate that they meet an established set of national standards.

Participation in the CALEA process is voluntary, yet important. It assures the citizens of Rocklin their police department is among the best in the nation. Rocklin joins a very elite group of law enforcement agencies across the United States to have received accreditation status, as fewer than 4% of all law enforcement agencies have completed the process. Reaccreditation occurs every three years.

Accreditation

Accreditation is a coveted award that symbolize professionalism, excellence, and competence. Employees of the Police Department take pride in their police service, knowing it represents the very best in law enforcement.

Operations Division

**Captain
Dan Ruden**

The Officers and Professional Staff working in the Operations Division are the most visible of police personnel and have the responsibility of being first responders to all police and animal calls for service. Patrol Officers must be prepared to handle emergency and routine calls for service, traffic accidents, initial criminal investigations and narcotics offenses. Animal Control Officers must be able to handle a variety of call types including dangerous animals, barking dog complaints, and loose dog calls. In addition, we enforce federal, state, and local laws, make public contacts, problem solve, write reports, testify in court, and maintain proficiency in crime prevention and crime reduction strategies.

PATROL

The patrol unit is organized into four main shifts plus overlap or relief shifts and includes two Lieutenants, four Sergeants, four Corporals, thirty Patrol Officers, six Reserve Officers, two part time officers, one code enforcement officer, and three Community Service Officers. Two of the patrol officers serve as canine handlers and one officer is assigned part time to the Placer County Air Operations helicopter. In 2007, the Reserve Officers worked approximately 3100 hours, including many of the City's special events.

Operations Division

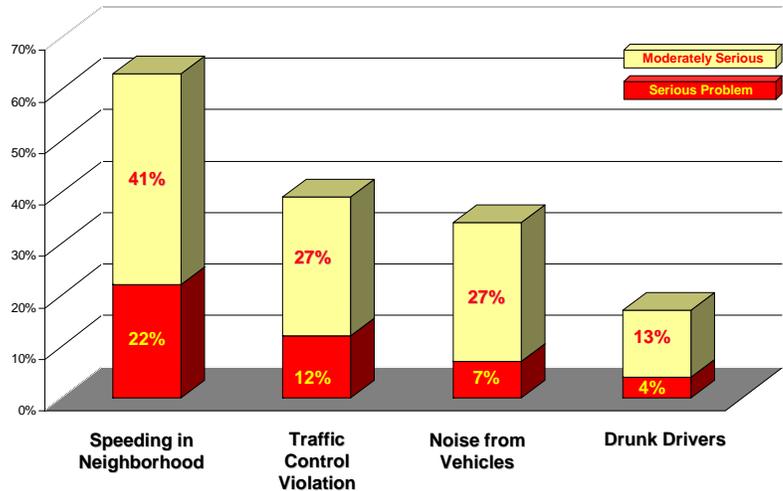

Traffic Unit

Our residents consistently tell us that traffic is one of their biggest concerns. The Motorcycle Unit is a key element of the Operations Division's success in addressing traffic concerns and safety. The Motorcycle Unit is comprised of one Sergeant, three Motor Officers, and a Traffic Clerk.

Traffic safety, achieved through education and enforcement, is the main objective of this unit. The Traffic Unit continues to work in partnership with other City Departments and the community to solve traffic concerns.

Officers continue to increase traffic safety efforts through more traffic stops, regional traffic enforcement activities, and concentrated DUI enforcement. The Rocklin Police Department Traffic Unit emphasized education and enforcement of traffic violations in 2008 and addressed over 104 specific traffic complaints from residents. Motorcycle Officers assigned to the Traffic Unit concentrate on this area of high-citizen concern while Patrol Officers also assist with traffic and DUI enforcement. Traffic complaints, collision data and engineering input are analyzed by the Traffic Unit to create focused enforcement where it will have the biggest impact.

The City of Rocklin's red light photo enforcement program captured 3,791 red light violations in 2008. The program uses automated camera systems and sensor devices to detect vehicles entering an intersection during a red light. This program has proven to reduce red light collisions citywide. In 2008, the City installed a second camera system at Rocklin Road and the entrance to westbound Interstate 80.

School Resource Officer Program

RPD maintains a partnership with the Rocklin Unified School District by providing three (3) school resource officers (SROs), who work full-time at the City's two high schools and two middle schools. The SROs provide a constant, approachable presence at the campuses and help the school staff maintain a safe and secure learning environment. Additionally, they provide a familiar face to students at school dances and school sporting events. During extended school breaks, the SROs augment detectives and perform youth related enforcement of tobacco and alcohol laws.

Animal Control

Rocklin's Animal Control Officers (ACOs) provide 7 day a week mobile coverage for Rocklin residents' animal service needs. ACOs enforce State and local animal laws and ordinances. In addition, the ACO's educate owners on licensing, care and control of domestic pets and other animals.

Animal Control

- **2,602 animal calls during 2008**
 - 406 (16%) of these are complaints of barking dogs
- **Animal Control Officers impounded 380 animals in 2008**
 - 223 dogs
 - 243 cats
 - 14 other

Code Enforcement

In July of this year, the police department took on the responsibility of monitoring municipal code compliance in the City. A half-time Code Enforcement Officer responds to neighborhood nuisance complaints and monitors sectors of the City for signs of emerging blight. The Code Enforcement Officer coordinates with Patrol officers, the Volunteer force and other municipal service agencies to build a multidisciplinary response to many neighborhood problems.

Operations Division

TRI-CITY SWAT AND CINT TEAMS

In 2004, the Rocklin Police Department began a partnership with the Roseville Police Department for a regional Special Weapons and Tactics Team (SWAT) and a Crisis Incident Negotiations Team (CINT). In 2007, the Lincoln Police Department joined as a third city and they became the "Tri-City" SWAT and CINT Teams. Each Department dedicates Officers as members of the team as a collateral duty assignment. Currently, the Rocklin Police Department has 8 Officers assigned to the SWAT Team and 5 Officers assigned to the CINT Team.

Officers assigned to the teams respond to critical incidents 7 days a week / 24 hours a day. Officers are available to respond to incidents in each of the participating agencies. Due to the specialized skills for both teams, they train regularly and this partnership has proven to be a very effective use of equipment and manpower for each agency.

Rocklin officers recently formed a rapid-response incident perimeter team that will be used to assist in high-risk critical incidents if necessary. This team, made up of specially trained patrol officers, will take over responsibility for maintaining the safe perimeter of an incident allowing patrol officers to return to their normal duties of providing safety to the citizens of the City of Rocklin.

AIR OPERATIONS

A Rocklin officer flies one day a week with the Placer County Air Operations Unit. The Rocklin flight officer provides local familiarity during air support operations in Rocklin such as response to crimes in progress, pursuits, and area searches.

Regional Auto Theft Task Force

Since 2007, Rocklin Police Department has been home to the Placer County Regional Auto Theft Task Force (RATTF), which has full-time assigned detectives from the Rocklin PD, Roseville PD, Placer County Sheriff Dept, and the CHP. The Task Force is funded by a DMV tax on vehicle registrations throughout Placer County, and their mission is to reduce automobile theft. Working in an undercover capacity, the RATTF made several arrests during 2008, including the identifying and dismantling of a large auto theft ring.

Special Investigations Unit

The Special Investigations Unit (S.I.U.) is a countywide task-force comprised of detectives from Rocklin PD, Roseville PD, Placer County Sheriff's Department and the California Department of Justice, Bureau of Narcotics Enforcement. The mission of S.I.U. is to enforce narcotics laws and reduce illegal drug trafficking throughout the County and the region. Operating in an undercover capacity, S.I.U. agents identify, track and arrest drug dealers and seize illegal narcotics. During 2008, S.I.U. will share a small percentage of asset forfeiture from money, property and vehicles seized from drug dealers throughout the State, to help fund the operation of the unit. The Records Unit welcomes and assists customers at the front counter/business office of the Police Department. Due to popular request, our business office hours have been extended this year Tuesday through Thursday until 7p.m. We are excited to have extended hours for our busy working community. Additionally, a team of well qualified and valuable volunteers, who supplement the records staff at the front counter Monday through Friday, are ready to help you with your needs.

Our professional and courteous staff aid citizens with requests for police officer assistance, police report copies, vehicle release information, press information, vehicle citation correction, VIN verification, clearance letters, fingerprinting, statistical information, general inquires, and more. In addition to the duties at the counter, the Records Unit is the repository for most Department records. Citations, permitting, statistics, registration, crime reports, and traffic collisions are just some of the records they manage.

Reports Filed

- 5,034 crime and incident reports
- 1,548 arrest reports

Communications / Dispatch Center

Rocklin Police Department's facility has a state-of-the-art twenty-four hour dispatch center with the most advanced technology in the region. The Rocklin Communications Center dispatches for Rocklin Police, Rocklin Fire, Rocklin Animal Control, and Rocklin Public Works. Our center includes a wall sized map projecting real-time graphic display of police vehicle locations and status, which allows dispatchers to view the location of all officers at any time during the day or night. The center has the latest dispatching and telephone software that captures:

- calls for service
- fire information
- 9-1-1 emergency
- administrative telephone calls.

The center also has incident call management, closed circuit monitoring, and aerial photo views of the entire city.

The Rocklin Police Department continues to answer cellular 9-1-1 calls within the city limits. More and more individuals are using cellular telephones as their primary and/or preferred method of communication. These cellular 9-1-1 calls are answered directly in our Communications Center by our professional staff, rather than the California Highway Patrol Communications Center. This allows a quicker response to your emergency with fewer delays.

Incoming Phone Calls

- **The Communications Center handled 114,335 total calls in 2008**
- **10,652 of these calls were 9-1-1 calls**
- **Dispatch handled 3,021 9-1-1 calls from cellular telephones**

PROFESSIONAL STANDARDS

Maintaining the public's trust by sustaining high integrity is essential to Rocklin PD. The Professional Standards Unit plays a major role as the guardian of the reputation and integrity of the Rocklin Police Department. The Professional Standards Unit mission is:

Protect the Integrity, Standards and Values of the Rocklin Police Department.

Number of Complaints in 2008

- RPD received 15 citizen complaints in 2008
- this is less than 1% of the 44,861 yearly police incidents
- 7 were minor and handled informally, and the remaining 8 resulted in further internal affairs investigation to determine the merit of the claim

Rocklin PD employs well trained and highly skilled personnel. Maintaining continued professional training is imperative. The Professional Standards Unit manages all training, coordinates recruiting and hiring, and administers internal affairs investigations. This unit manages programs that keep RPD in compliance with State law, accreditation standards, policy, and risk management concerns. The unit also manages equipment inventory, allocation and technical assets.

Commendations in 2008

- 34 internal commendations and achievement awards
- 31 external commendations and achievement awards

POLICE VOLUNTEER PROGRAM

The Rocklin Police Volunteer Program establishes partnerships between the Police Department and the community, and greatly improves the Department's capacity to provide quality service. Volunteers serve as extra "eyes, ears, and helping hands," but do not engage in contacting, detaining, or arresting suspicious persons or criminals. Volunteers are not permitted to carry weapons and have no powers of arrest beyond those of a private person.

Police Volunteer Program

- In 2008, 21 new Volunteers graduated from the Rocklin Police Volunteer Academy
- In 2008, Rocklin Police Volunteers donated 11,239 hours, which equates to a value of \$209,832* (also represents a 6.5% increase in volunteer hours over the previous year)

* Value based on Bureau of Labor Statistics estimate of \$18.67 per volunteer hour

Since its inception in 2001, the Volunteer program has grown from 4 Volunteers to 106. The volunteer hiring process requires the successful completion of a volunteer application, oral interview, background investigation, Live Scan fingerprint check, warrant check, and a volunteer academy. The Volunteer Academy is mandatory for all new police volunteers and covers 50 hours of training over a 13-week time period. It familiarizes them with the different functions of the Police Department, and provides specific training to help them become safe and productive volunteers.

The Volunteer Program allows the Police Department to undertake programs and projects that were previously not feasible due to a lack of available resources and staffing. Rocklin Police Volunteers perform a wide variety of functions and services including:
