SECTION 1: INTRODUCTION

Honorable Mayor and City Council Members:

On behalf of the entire City of Rocklin staff, I am pleased to submit the Fiscal Year (FY) 2022/23 Annual Budget, which totals \$102 million (\$89.4 million for operations, \$12.5 million for capital expenditures). A city budget serves as a policy document, a financial plan, a communications device, and an operations guide, reflecting the policies, goals, programs and service priorities of the City Council and the community. The FY 2022/23 Annual Budget matches the estimated available resources to the services desired by the community, such as police, fire, recreation, community development, public works, and administrative services, and represents the spending plan that provides funding for City services and programs.

The budget document itself has been given a “makeover” this year, with the intention to be more open and transparent. The new format incorporates industry best practices and better reflects Rocklin’s status of a City of choice in the greater Sacramento region.

The proposed budget is balanced, and represents the City’s financial plan for the fiscal year beginning July 1, 2022. As we continue to recover from the challenges caused by the COVID-19 pandemic, staff is cautiously optimistic that the recovery will continue. The FY 2022/23 Annual Budget reflects prudent investments in staffing and programs to meet community needs and support priority initiatives.

This past year the City received just over \$7 million in American Rescue Plan Act (ARPA) funding, and to date the City Council has approved spending programs for more than half of the funds. Staff will continue to work to provide those funds to support Rocklin’s residents, non-profit organizations, and business community to bolster the local economy and support those in our community most impacted by the pandemic.

Looking forward to FY 2022/23, the City of Rocklin remains fiscally sound due to prudent and conservative planning by the City Council. However, as we forecast the City’s anticipated revenues and expenses over the next five-year period, it is important to note that steps may be needed in the future to enhance revenues and/or reduce expenditures to combat costs that are naturally rising at a higher rate than revenues. While the revenue outlook is generally positive, we are experiencing increased operational costs, and a gradual slowing of residential development. We will continue to monitor revenues and expenditures to ensure stability.

Current Fiscal Year 2021/22

The FY 2021/22 approved budget totaled \$98.6 million across all funds, with \$85.1 million for operations, and \$13.5 million for capital expenditures. Revenues totaled \$99.7 million. General Fund expenditures were budgeted at \$54.8 million, with \$53.2 million for operations and \$1.6 million for capital expenditures. General Fund revenues totaled \$55.1 million.

City of Rocklin staff continue to do great work in the community. Some of the notable projects and expenditures in the current year include:

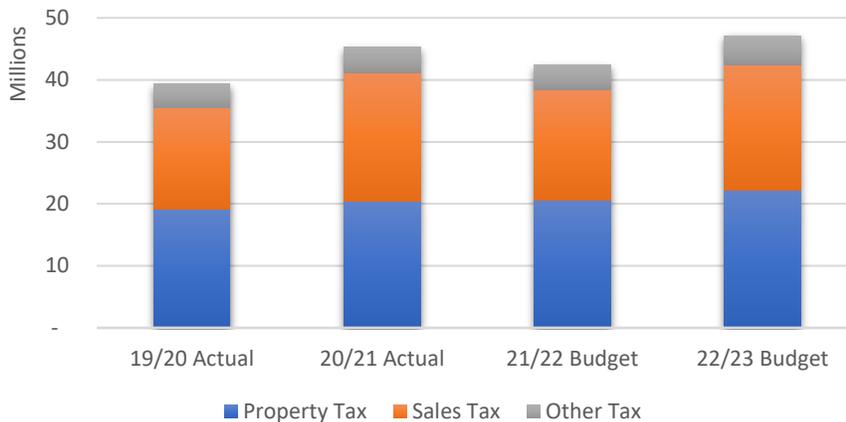

- \$7.4 million was expended, or will be expended, on various street construction and repair projects.
- \$5.1 million contract awarded for the construction of the Rocklin Rd. at Pacific St. Roundabout
- \$1.7 million in fleet vehicle purchases, including two replacement wildland firefighting vehicles
- \$535,600 debt service payment toward the SWRA land purchase
- \$438,495 contract awarded for Phase 1 of the SWRA East Trails Expansion
- \$270,500 to purchase new and upgraded radio equipment for police department
- \$49,970 contract for Community Development Department organizational assessment

Fiscal Year 2022/23

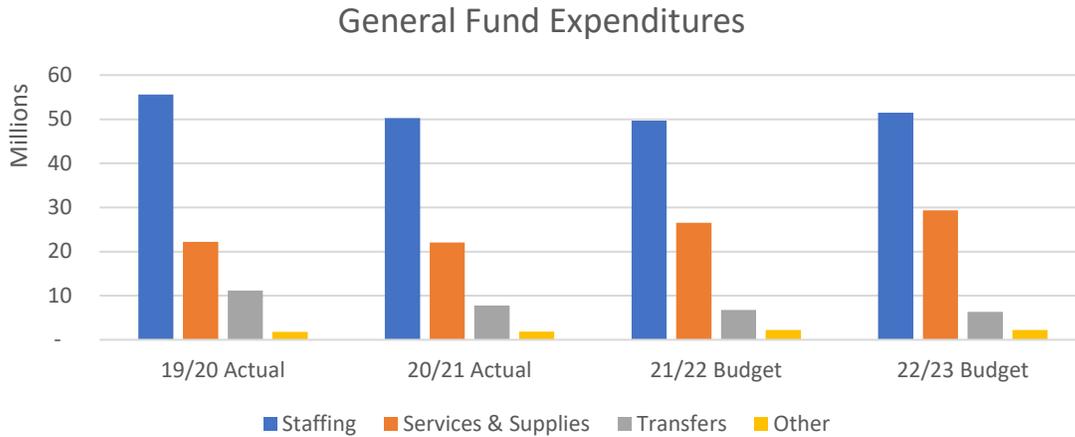

The FY 2022/23 budget totals \$102 million across all funds, with \$89.4 million for operations, \$12.5 million for capital expenditures. Anticipated Revenues total \$104 million, including anticipated General Fund revenues of \$60.4 million.

General Fund revenue projections for FY 2022/23 include a 7% increase in property taxes, for a total of \$22.2 million, and a 14% increase in sales tax, for a total of \$20.2 million. The increases are due to rising home values, and sales growth by Rocklin businesses. Based on actuals over the course of the year, we are projecting an increase to most revenue categories.

General Fund Tax Revenue

General Fund expenditures are budgeted at \$61.6 million, with \$57.3 million for operations and \$4.3 million for capital expenditures. FY 2022/23 General Fund expenditures are projected to be approximately \$6.8 million higher than the current year budget, primarily due to capital improvement plan for Sunset Whitney Recreation Area East Trails and SWRA Park Improvements.

The most significant City costs in the General Fund are related to personnel, which comprise approximately \$41.8 million. Public Safety (police and fire services) totals \$28.6 million. Citywide, there are 3.12 net new positions being added, with one frozen position being funded.

Some of the significant projects and/or expenditures planned for FY 2022/23 include, but are not limited to:

- Complete construction of Rocklin Road/Pacific Street Roundabout;
- Design and construction of a bike pump track at Whitney Park;
- Establish a robust investment portfolio;
- Implement new electronic plan submittal and review system and expand use of online permitting options;
- Restoration of remaining SWRA East Trails;
- Transition to a new citywide public meeting agenda management program and electronic records management system; and
- Upgrade of public safety radio system from analog to digital.

Consistent with City Council direction, long-term fiscal sustainability is reflected in this budget. By year end, General Fund operating reserves will be approximately \$14.2 million; reserved funds for self-insured losses and disaster contingency will be \$2 million and \$1 million, respectively, with an unreserved fund balance of approximately \$17.9 million.

The ratio between personnel expenditures and operations/maintenance for all funds is 63:37, in keeping with the "75:25" operating expenditure rule. This is another indicator of strong fiscal stability.

Conclusion/Acknowledgements

This budget document is the result of the tireless efforts of many members of Team Rocklin, but was led by Deputy Director of Administrative Services/City Treasurer Daniel Choe. In his first year with the City of Rocklin, Daniel embraced the vision for an enhanced budget document, bringing many creative ideas to the process to achieve that vision. I commend him for the stellar effort he put forth throughout the budget preparation process.

Additionally, thank you to all City employees in each department who contributed to the production of the budget, and who will put into action the intentions this spending plan represents. Finally, the preparation of this budget document would not have been possible without the dedicated efforts of Finance Division staff including Accounting Supervisor Ted Williams, Principle Management Analyst Andrew Schiltz, and Senior Accountant Angela Doyle.

The leadership and commitment of City Council to sustaining the health and welfare of Rocklin provides a strong foundation of past successes and allows us to confidently build for the future.

It remains my great honor to serve as your City Manager, with a pledge to ensure the City of Rocklin is strong, vibrant and fiscally sustainable.

Respectfully submitted,

Aly Zimmermann
City Manager

The City of Rocklin's budget serves many purposes:

- To establish financial guidelines of meeting the City Council's priorities and policies;
- To allocate or reallocate resources to reflect the City Council's priorities and policies;
- A communication tool for residents to understand City services and programs, and their cost; and
- A planning tool for City staff in programming and making spending decisions.

The City's fiscal year is July 1 through June 30. The City Council annually adopts the budget for the ensuing fiscal year prior to July 1st.

The budget document is divided into five sections:

1. Introduction

The introductory section of the budget provides general information about the City, the City's vision statement, basis of budgeting, budget process, directory of City governing body, and City officials.

2. City Structure

This section provides an overview of the City of Rocklin and the City-wide organizational chart.

3. Budget Schedules

The budget schedules section includes information such as appropriations, sources and uses, changes in fund balance, summary of capital improvement plans, and general fund reserves.

4. Departments

This section of the budget provides major categories of expenditures in the following services: general government, community development, fire, police, parks and recreation, and public services. Each section includes a department-specific overview of services, an organizational chart, past accomplishments, upcoming year's goals and objectives, significant changes from the prior budget, and budget and staffing charts.

5. Definitions

This section of the budget includes information intended to assist readers in understanding the budget and terminology used in the budget document.

BUDGET OVERVIEW

The FY 2022/23 Operating and the Capital Improvement Plan budgets total \$102 million for all funds. This Budget supports 259.88 full-time equivalent positions and resources needed to provide the following public services: police, fire, planning and community development, construction and maintenance of streets, storm drains and other infrastructure, parks and recreation, and general government services. The budget is balanced and is developed with focus on the City's long-term needs and fiscal sustainability, consistent with City Council direction.

FY 2022/23 revenue estimates were developed in coordination with the City's tax revenue consultant based on economic indicators, information received from City Departments, historical data, and outside agencies such as the County Assessor, State Department of Finance, and Placer County Transportation Planning Agency.

Anticipated General Fund resources total \$62.8 million. These include a General Fund revenue estimate of \$60.4 million, a 9.1% increase from the FY 2021/22 budget, and \$2.4 million from the General Fund balance. The increase in the General Fund revenue is primarily a result of increasing assessed values for existing property by 2%, new home construction, increased values related to property transfers, and increased sales in Rocklin businesses and online purchases. The majority of other revenue categories are anticipated to increase. The \$2.4 million General Fund balance will be used to offset Sunset Whitney Recreation Area (SWRA) projects and building repairs.

Some of the significant planned expenditures in the proposed budget are listed below. Additional details are provided in the Department sections.

Significant Planned Expenditures

Department	Description	FTE Change	Net Budget Change
Administrative Services	Delete one vacant Accountant II (1.0 FTE) position in the Finance Division, with the reallocation of one Accounting Supervisor position approved in FY 2021/22 pursuant to Resolution No. 2021-227.	(1.00)	-
Fire	Restore funding for one frozen Firefighter (1.0 FTE) position.	-	162,189
Fire	Funding for Station Alerting Year 1 of 2 year project.	-	275,000
Information Technology	Add an Information Technology Specialist (1.0 FTE) position to provide adequate citywide IT Help Desk and application support.	1.00	125,318
Parks & Recreation	Restore SWRA East Trails (\$546,300). Costs will be offset by the General Fund balance commitment for SWRA trails.	-	-
Parks & Recreation	Construction of SWRA Restrooms (\$230,000). Costs will be offset by the General Fund balance commitment for SWRA restrooms.	-	-
Parks & Recreation	Funding for the SWRA Recreation Improvement Project (\$764,800). Costs will be offset by the General Fund balance commitment for park improvements.	-	-
Parks & Recreation	Add an Irrigation Technician (1.0 FTE) position and a truck (\$48,600) to address the workload. This position will allow for the 37 parks to be divided into three regions, creating an overall balance and allow for manageable irrigation maintenance. Costs will be offset by deleting two vacant permanent part-time positions (0.94 FTE).	0.06	48,600

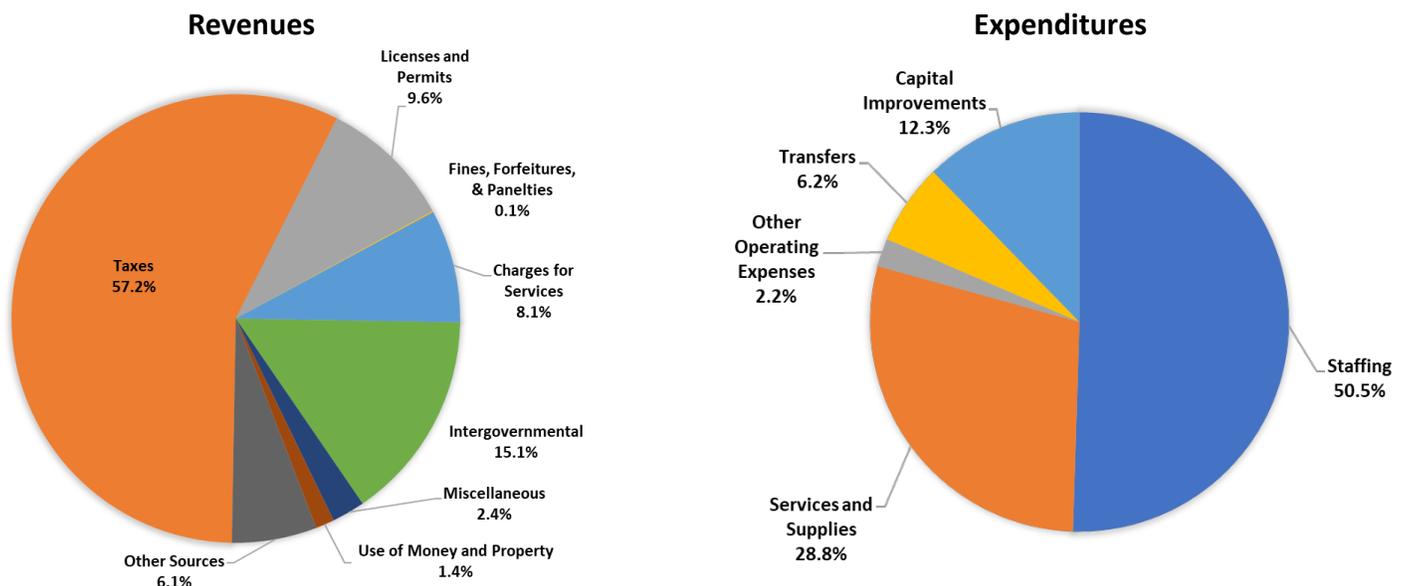

Significant Planned Expenditures (continued)

Department	Description	FTE Change	Net Budget Change
Parks & Recreation	Add a Recreation Coordinator position (1.0 FTE) for venue rentals, monitoring, and supervision of part-time positions. Costs will be offset by deleting a vacant permanent part-time (0.94 FTE) position and reducing non-permanent part-time staffing.	0.06	-
Parks & Recreation	Funding for the Bike Pump Track at Whitney Community Park.	-	920,000
Police	Add two Police Officer (2.0 FTE) positions and a vehicle in the Police Department.	2.00	384,444
Police	Funding to replace the VHF Motorola Radio System as it has reached the end of its useful life and parts are obsolete.	-	350,000
Public Services	Add a Public Services Business Technician (1.0 FTE) position for the implementation and administration of Senate Bill (SB) 1383 – Organic Waste and Recycling. Costs are offset by the SB1383 Local Assistance Grant Program from CalRecycle and increases in franchise tax revenue.	1.00	-
TOTAL		3.12	\$2,265,551

In addition, insurance premiums continue to increase. The FY 2022/23 insurance premium and worker’s compensation budgets are \$2.9 million, an increase of \$423,800 from the prior fiscal year. The City is a member of the Northern California Cities Self Insurance Fund (NCCSIF), a Joint Powers Authority, established to protect member resources by stabilizing risk costs in a reliable, economical and beneficial manner. The NCCSIF provides coverage and services in risk management and claims management. The NCCSIF members’ historical loss data is used when budgeting for claims costs and expenses for the upcoming fiscal year.

Additional details on the 2023-2027 Capital Improvement Plan, planned fleet and other equipment purchases are provided in Schedule 7.

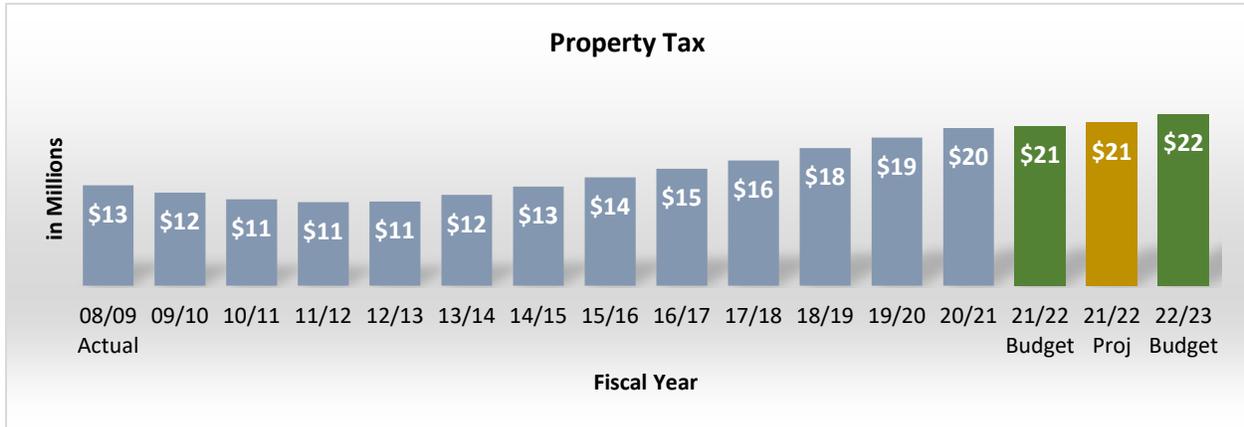

The following charts show revenue and expenditure percent allocations by category for all funds.

Major sources of the City’s General Fund revenue come from property tax and sales and use tax, and estimates were developed in coordination with the City’s tax revenue consultant based on economic indicators, information from other agencies, and historical data.

PROPERTY TAX

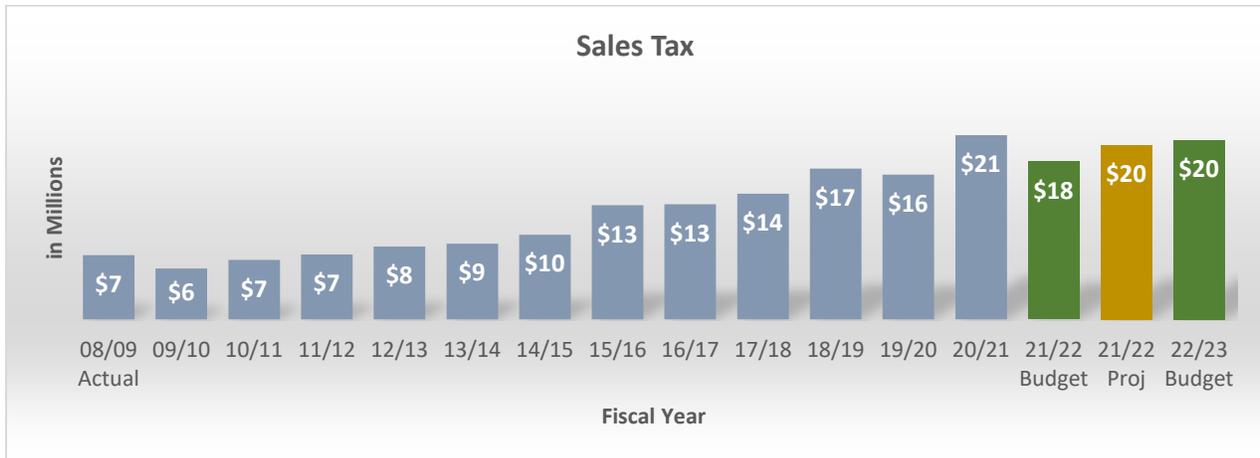

The FY 2022/23 budget is \$22.2 million, a 7% increase from the FY 2021/22 budget. Property taxes are the largest component of General Fund revenues at 40% of total General Fund revenue less transfers in for FY 2022/23. Property tax has risen steadily since a recession low of \$10.8 million in FY 2011/12. This is due to a combination of rising home values and new home construction.

Under California law, property taxes are assessed and collected by the counties up to 1% of assessed value, plus other increases approved by the voters. The property taxes go into a pool and then are allocated to the cities by statutory formula. Approximately 12.6% of ad valorem property taxes levied in Rocklin come in to the City.

SALES TAX

The FY 2022/23 sales tax budget is \$20.2 million, a 14% increase from the FY 2021/22 budget. Sales taxes are the second largest source of General Fund revenues at 37% of the total General Fund revenue less transfers in. Sales tax has risen steadily since a recession low of \$5.7 million in FY 2009/10 as many Rocklin businesses experienced sales growth, as well as higher online purchases.

Sales tax is imposed on retailers for the privilege of selling tangible personal property in California. A use tax is imposed on purchasers whenever sales tax does not apply, such as for goods purchased out of state for use in California. The current sales tax rate in Placer County – City of Rocklin – is 7.25%. The 7.25% is distributed to various agencies with 1% going to the City of Rocklin.

GENERAL FUND FIVE YEAR FORECAST

The five-year forecast is a financial tool to help evaluate current and future fiscal conditions to guide policy and programmatic decisions. The tool will help identify future revenue and expenditure trends that may have immediate or long-term influence on City policies, strategic goals, or delivering City services.

In an effort to develop budget with focus on both short- and long-term context, staff developed the following General Fund Five-Year Forecast as part of the annual budget process.

General Fund 5-Year Forecast	FY2022/23 Budget	FY2023/24 Projection	FY2024/25 Projection	FY2025/26 Projection	FY2026/27 Projection
Revenues					
Revenue	60,349,100	61,717,900	63,730,400	64,898,700	66,997,400
Other Sources	2,414,600				
Total Resources	62,763,700	61,717,900	63,730,400	64,898,700	66,997,400
Expenditures					
Operations	57,272,800	58,526,300	60,789,700	62,943,700	65,796,000
Capital Improvements	4,349,000	2,278,300	874,200	1,172,200	560,100
Contribution to Ops Reserve	1,099,300	319,700	567,200	545,200	712,500
Total Expenditures	62,721,100	61,124,300	62,231,100	64,661,100	67,068,600
Net Resources / (Deficit)	\$42,600	\$593,600	\$1,499,300	\$237,600	(\$71,200)

The forecast is based on the FY 2022/23 budget which was developed in coordination with the City’s tax revenue consultant based on national, State, regional and local economic data, information received from City Departments, historical data, and data from other agencies. Expenditures in the forecast incorporate the City Key Management Practices in maintaining an operating reserve equal to 25% of the budgeted expenditures in the General Fund (less any capital equipment, project budget, and transfers out), known labor increases, and utility rate increases impacting the City.

FYs 2022/23 through 2025/26 are balanced; however, the growth in expenditures is anticipated to outpace revenues beginning in FY 2026/27. Therefore, it is important to continue to maintain sufficient level of fund balance, coupled with strategically using one-time resources in mitigating future challenges.

KEY MANAGEMENT PRACTICES

By the year end, General Fund operating reserve will be approximately \$14.2 million. The emergency reserve and self-insured losses reserve will be \$1 million and \$2 million, respectively. The ratio between personnel expenditures and operations/maintenance for all funds is 63:37, in keeping with the “75:25” operating expenditure rule. Finally, projected ending fund balances for all funds will be approximately \$104.9 million and approximately \$17.9 million for the General Fund.

BASIS OF BUDGETING

The accounts of the City of Rocklin are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses, as appropriate.

Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

Descriptions of the funds included in the budget are found in the Appendix.

The City's budget process and financial procedures are in accordance with all applicable standards of the Government Accounting Standards Board, Generally Accepted Accounting Principles, and the City's internal financial policies and the Key Management Practices.

KEY MANAGEMENT PRACTICES

The City's budget will be developed following the Key Management Practices as detailed herein:

Capital Improvement Plan

The City will develop and implement a five-year capital improvement plan requiring the City to anticipate long-term needs. The five-year capital improvement plan will determine the capital improvement priorities, provide for current fiscal year projects, and provide for forecasting and anticipation of future fiscal year expenditures.

Capital Assets

Capital assets, including property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are defined by the City as assets with an initial individual cost of \$10,000 (\$5,000 if grant funded) or more; or \$100,000 for infrastructure with an estimated life in excess of one year.

Fleet Equipment

The City's budget will provide for the adequate maintenance and repair of fleet equipment and for their orderly replacement.

Risk Management

The City operates a risk management and loss prevention program to minimize losses.

One-Time Revenue

An organization that depends on one-time revenue or on a source of revenue that will soon disappear, can, in essence, create deficits for itself. The City will utilize General Fund for one-time or temporary funds to obtain capital assets, fund capital projects, replenish the General Fund Operating Reserve and/or make other nonrecurring purchases. Otherwise, strategic planning to earmark replacement revenue must be identified at the onset.

Debt Policy

Sound budget management requires that the City determine the availability of revenue to support future capital improvements. In addition to the policies and procedures for land-secured financing as enacted by Resolution No. 2005-112 and Debt Management Policy Resolution No. 2018-291, the City utilizes “Capital Needs Financing”, as noted below, and conducts ongoing analysis of refunding opportunities.

Capital Needs Financing

The City will, where possible, and in accordance with the adopted Capital Improvement Plan, employ pay-as-you-go financing to save interest expenditures, preserve debt capacity for future borrowing, and not encumber future budgets with mandatory debt service expenditures. Exceptions to this practice will be for capital expenditures, which are determined to be time sensitive for purposes of public health, safety, welfare, or for economic gain.

Capital Expenditures

All capital projects planned and budgeted for in any given fiscal year will have funding identified and proven to be available. This means that all projects are subject to funding already received in prior fiscal years. Funds that are earmarked for receipt in the current fiscal year will not be utilized for current year expenditures.

Indirect Cost Allocation

An Indirect Cost Allocation (ICA) calculation is done during the budget process to allocate General Fund support service costs to other funds. The City will exclude Capital Project Funds from the ICA calculations for the budget year. Capital Projects Funds consist of nonrecurring purchases; therefore, exclusion from the ICA calculation will prevent reliance on one-time funds to balance the General Fund budget. For the year-end actuals, the ICA calculations will include Capital Projects Funds.

Operating Funds – Operating Expenditures

All non-General Fund Operating Funds will maintain sufficient cash balances to cover a minimum of seven months of operating expenditures planned and budgeted at the end of each fiscal year. This means that operations within these Funds are subject to funding already received. This policy will ensure the City maintains sufficient cash on hand to cover its normal operations and enable it to identify and avoid potential cash flow issues.

De-Obligation

In the event that an unplanned capital project is identified as a higher priority than a budget initially appropriated, the funded project list may be altered to take the new project into account. In this event, all projects will be reviewed and a new priority list established. Any projects that are removed from the current funded project list will have the attached funding source de-obligated and that funding source will be attached to the new projects and/or returned to the reserve.

General Fund Operating Reserve

The City will maintain an operating reserve equal to 25% of the planned budgeted expenditures in the General Fund (less any capital equipment and/or project budget). These reserved dollars will be used to support unforeseen emergencies, operating insufficiencies and short-term internal loans. Management will exercise every mechanism available (e.g., budget cuts, hiring freezes, etc.) to avoid use of the reserve. To the extent the reserve level falls below 25%, a plan will be developed and executed to replenish the reserve at the targeted funding level within three years.

Disaster Contingency Reserve

The City will maintain an emergency reserve equal to \$1 million as set by Resolution No. 2012-136. These reserved dollars will be used in the event of a “declared emergency” providing financial support for recovery efforts as directed by the City Council.

Self-Insured Losses Reserve

The City of Rocklin will maintain a self-insured losses reserve equal to \$2 million. These reserved dollars will be used for losses not covered under existing insurance programs.

Retirees’ Health Fund

The City will maintain a Retirees’ Health Fund, which will be used to fund the Retirees’ Health Trust to offset retirees’ health accrued liability. Additionally, the Retirees’ Health Fund will be partially funded by annual transfers-in of 5% of the General Fund’s current fiscal year’s fund balance unreserved surplus.

Fleet Capital Reserve

The City will maintain Fleet Capital Reserves in the Fleet Fund for the purchase of new and replacement vehicles and other capital assets. Reserve amounts will be expensed to each Operating Fund Division based upon the vehicles assigned. These amounts will be calculated utilizing the annual asset depreciation expense, and allocated through a modified Fleet Allocation process. In the case where funds reserved in the Fleet Fund for a particular asset to be replaced, or an additional new asset to be purchased, are insufficient to cover the entire cost of the asset, additional amounts will be expensed to the appropriate Operating Division in that year.

General Fund – Special Reserve Funds

After calculating the 25% General Fund Operating Reserve, 75% of remaining General Fund surplus (net amount by which the unreserved fund balance is increased in that fiscal year) will be split between: GF-Economic Reserve Fund (10%), GF-Building Reserve (20%), Retiree’s Health Fund (5%), Fleet Reserve Fund (20%), City Council Community Fund (10%), and a payment towards the City’s unfunded pension liability (35%).

Unfunded Pension Liability Reduction

An additional 1% will be added to the employer rate of unfunded pension liability which will be used to pay down the City's unfunded pension liability. In addition, after all General Fund-Special Reserve fund transfers, if it is determined that the projected (current) fiscal year will have an increase in the General Fund unassigned (unreserved) Fund Balance, 50% of this increase will be used to pay down the City's unfunded pension liability. This transfer of funds will occur during the budget process following each year in which an increase occurs.

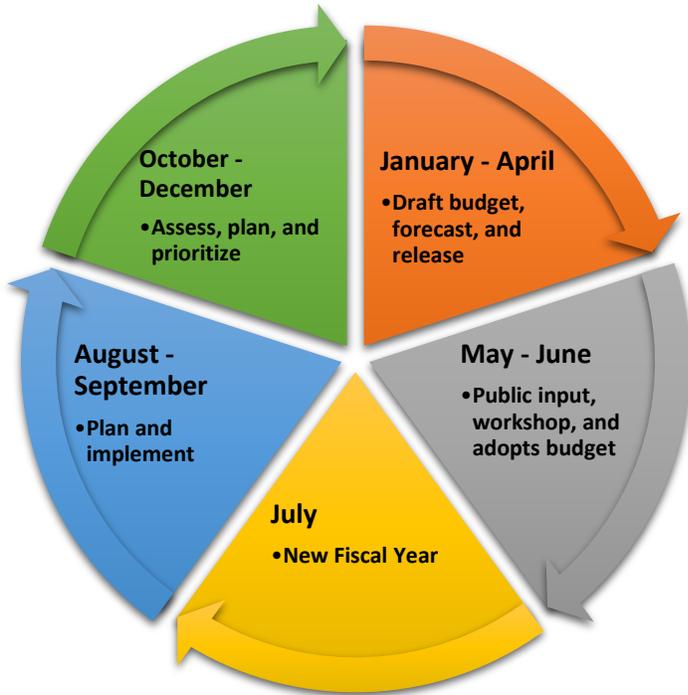

"75:25" Operating Expenditure Rule

To support fiscal stability, the City will work to maintain personnel to operations/maintenance expenditure ratio no greater than 75:25. Pension and health care costs can be extremely volatile, and can lead to significant year-over-year expenditure increases. Maintaining a healthy balance between personnel and operations/maintenance expenditures allows for greater control over total expenditures and allows the City to more easily respond to unforeseen costs. The City will analyze its personnel to operations/maintenance expenditure ratio during the budget process each year and make prudent adjustments to bring the ratio back to appropriate levels within three years.

BUDGET PROCESS

The City of Rocklin prepares and submits an annual operating budget and a five-year capital improvement plan budget to the City Council for review and approval. The annual budget process is driven by the City’s strategic plan.

The annual budget preparation begins by creating a budget calendar. Due dates are established in order to meet the budget adoption date. Pursuant to Rocklin Municipal Code Chapter 3.28, the City Council must adopt the final budget by June 30th of each year.

To establish the annual budget, departments estimate revenue anticipated for the succeeding year, along with operating expenses to support the City Council priorities, objectives of each program, and proposed program expansions and augmentations. These estimates are continuously reevaluated and revised before the budget is transmitted to the City Manager.

The next step is for the City Manager and department staff to meet and review budget estimates. Revisions from these meetings are made and the budget estimates are reassessed. This step may repeat until the budget is balanced.

When the City Manager is satisfied with proposed operating and capital budgets, they are transmitted to the City Council on or before May 15th of each year. The City Council reviews and may revise the proposed budget in a public workshop. The budget is then, formally adopted by the City Council on or before June 30th of each year. Any changes to the proposed budget, as considered and approved by the City Council during budget workshops, are included in the final budget.

SECTION 2: CITY STRUCTURE

ABOUT ROCKLIN

Located in South Placer County at the intersection of Interstate 80 and State Highway 65, Rocklin is characterized by rolling hill terrain with 360-degree panoramic views of the Sierra Nevada mountains to the northeast and to the Sutter-Butte mountain range in the West.

Rocklin is a preferred location to live, work, visit, and grow business because of its convenient location, excellent schools and universities, abundant recreational opportunities, and the highest commitment to public safety. Rocklin is located in proximity to many tourist locations and recreational amenities. It is within 20 minutes of Folsom Lake, 30 minutes of downtown and Old Sacramento, and less than two hours from Lake Tahoe, the Pacific Ocean, and the Bay Area.

Rocklin has been one of the fastest growing cities in California. The City's population grew 64 percent from 2000-2014 with a current population of approximately 71,601, according to the California Department of Finance. In September 2021, Money Magazine ranked the City in the top 50 Best Places to Live in America. The City was one of only two California cities to make the list.

The City's strongest assets are its residents, and citizen input and participation set Rocklin apart. We are proud of Rocklin's rich heritage and excited about its future. Thanks to residents, businesses and community leaders working together, we can ensure a bright future.

GOVERNANCE

The City of Rocklin operates under a Council-Manager form of government, which vests authority in an elected City Council. The City Council is the City's legislative and policy-making body and appoints the City Manager who is responsible for the overall administration of the city. In addition to the appointment of the City Manager, the City Council also appoints the City Attorney, City Treasurer, City Clerk and members of the Board of Appeals, Architectural Review Committee, Arts Task Force, Community Recognition Commission, Planning Commission, Parks, Recreation & Arts Commission, and Investment Advisory Committee.

The City-wide organizational chart displays the relationships between organizational units of the city government. Day-to-day operations are handled by the City departments. The Departments are run by Department Directors who report to the City Manager. This organizational structure ensures the City Manager can keep the City Council aware of operational issues of importance and of city-wide concern.

HISTORY OF ROCKLIN

Founded on Granite

The City of Rocklin has a long history, but much of the growth has been within the last 30 years. Rocklin was first recognized as a destination along the transcontinental railroad in 1864, about the same time granite mining began. Rocklin was incorporated in 1893 during the heyday of railroad and granite mining activity. By 1910, 22 quarries operated in Rocklin and, in 1912, nearly 2,000 train carloads of granite were sent out of town to become part of the state capitol building and buildings in San Francisco.

First Developed Land

North of Rocklin's core was Spring Valley Ranch, founded in 1855 by the Whitney family. Whitney's ranch included sheep and a wide variety of agricultural products. Over the years, 25 miles of crushed stone roads, 12 granite bridges, stables, barns, and housing for 200 ranch hands and their families were all constructed on this sprawling 30,000 acres, now considered the first developed property in Rocklin.

Whitney's ranch was eventually subdivided and sold off to various development interests as the expansion of suburban communities from Sacramento to the northeast led to the growth of the housing market in Rocklin during the late 1950s and early 1960s. This resulted in the development of the Sunset Whitney neighborhood, centered around a beautiful golf course.

Modern Business Expansion

Beginning in the 1980s, Rocklin realized the benefits of a lower cost of living and land that drew high technology firms and other industries to the region. This resulted in an expansion of commercial and residential development, including Stanford Ranch, the 3,000-acre master planned community that had also been part of Spring Valley Ranch. A steady period of growth continued in Rocklin with additional master plan areas including Whitney Oaks (1,000 acres) and Whitney Ranch (1,300 acres).

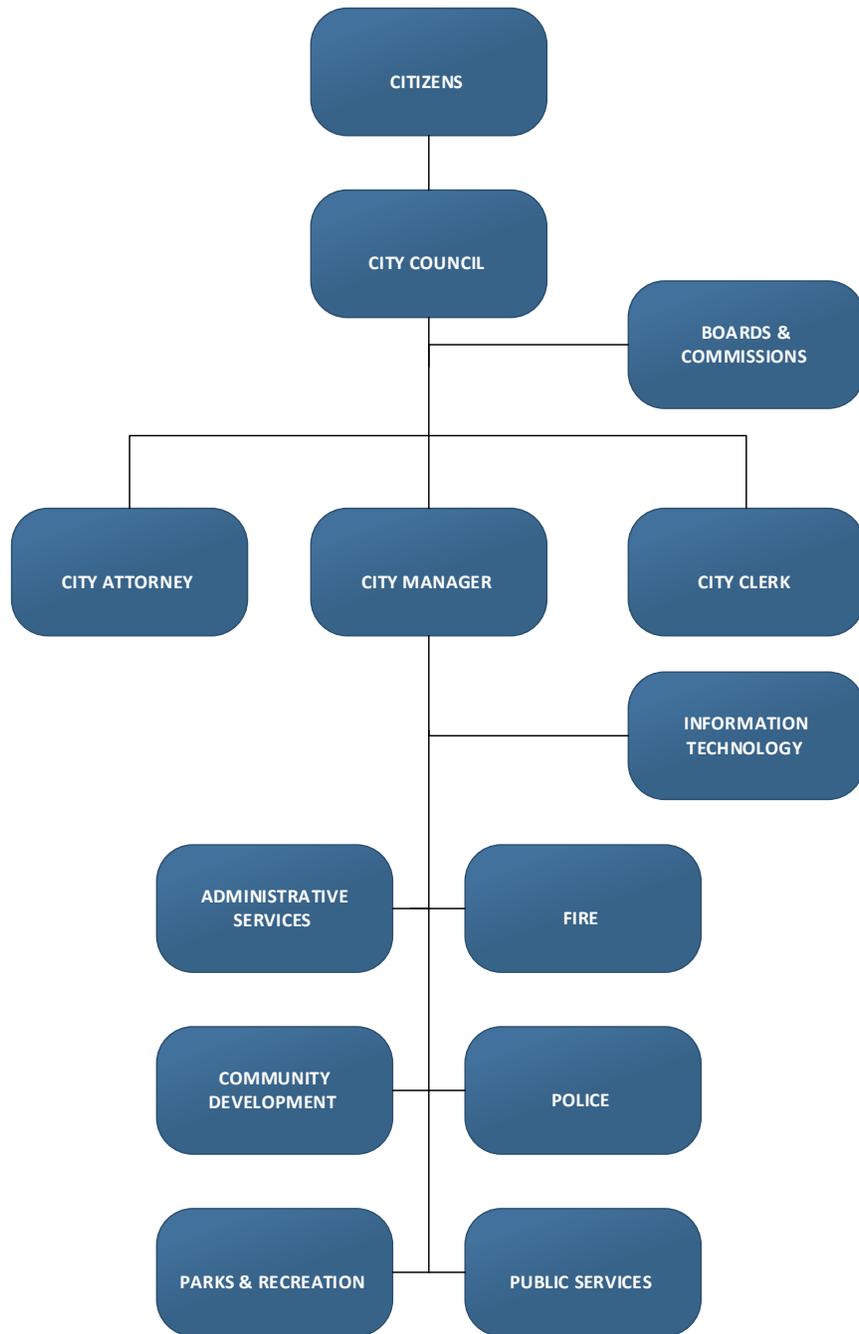

Looking Forward

As Rocklin has evolved, the City has saved many of the original granite bridges used to cross creeks on the Spring Valley Ranch and has designed parks to include these bridges.

Rocklin is now nearing the end of its growth phase. With few remaining large, undeveloped parcels and no opportunities for annexation, City leaders are shifting their focus from one of growth to long-term sustainability. Rocklin must ensure that the City's high quality of life can be sustained in the years to come. This shift in focus requires new thinking, new ways of doing things but also provides for new opportunities.

Part of the City's long-term model for sustainability is to look back on where it all began: The City's core. Downtown and Historic Rocklin are ripe with opportunities for redevelopment. Quarries still dot the landscape, providing a unique asset for new community, park and recreational uses.

SECTION 3: SCHEDULES

SCHEDULE 1A
Appropriations by Department

DEPARTMENT	Actual FY2019/20	Actual FY2020/21	Approved Budget FY2021/22	Revised Budget FY2021/22	Approved Budget FY2022/23	Change Increase/ (Decrease)

SECTION 4: DEPARTMENTS

OVERVIEW OF SERVICES

The City Council is the governing body of the Rocklin Municipal Government. The City Council adopts ordinances and resolutions, appoints the City Manager, City Attorney, City Clerk, City Treasurer, and reviews and approves the major policies, programs, and the annual budget. The City Council consists of five members elected at-large alternately at the general election. The Mayor and Vice Mayor are appointed by the City Council each November for a one-year term. The City Council also serves as governing board for the Rocklin Public Financing Authority.

OVERVIEW OF SERVICES

The City Manager is appointed by the City Council and is responsible for implementing and carrying out the policies of the City Council. As the chief executive officer of the City, the City Manager supervises operations, directs departments and services, and enforces the laws and policies as adopted by the City Council.

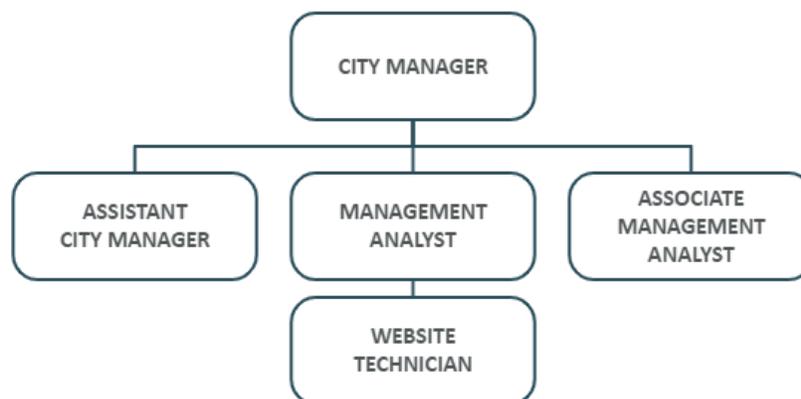

The City Manager's Office coordinates: Administration; Economic Development; Legislative Advocacy; and Public Affairs.

The office of the City Manager is the primary contact for providing current information to the public, the media, and City employees.

ECONOMIC DEVELOPMENT DIVISION

The Economic Development Division is responsible for implementing, coordinating and monitoring policies and programs to improve the City's business climate. This office works to keep Rocklin prosperous by acting on two overarching approaches to economic vitalization – strengthening what the City already has and pursuing what the City needs to achieve a strong, diversified local economy.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

- Created the Rocklin American Rescue Plan Act Community Support programs which provide grants to nonprofits and small businesses in Rocklin to mitigate the impacts of COVID-19 on the community.
- Launched the 2022-2025 Economic Development Strategy.
- Expanded public communications, including weekly messages from the Mayor and increased news articles for the City's news page.
- Released the Request for Proposal and selected a firm to complete the Sunset Whitney Recreation Area Master Plan.

GOALS AND OBJECTIVES

- Complete the American Rescue Plan Act support programs and evaluate remaining community needs.
- Continue to implement the Economic Development Strategy by identifying and leveraging the strengths of the City of Rocklin and its public and private partners in order to foster a thriving business environment that is conducive to business growth, attraction and creation.
- Conduct a statistically valid community outreach survey to solicit feedback from Rocklin residents and use feedback to inform the Strategic Planning process.
- Increase engagement in regional legislative advocacy and community working groups.

SIGNIFICANT CHANGES FROM PRIOR BUDGET

- None.

OVERVIEW OF SERVICES

The City Clerk is the local official who administers democratic processes such as elections, access to city records, and all legislative actions ensuring transparency to the public. The City Clerk acts as a compliance officer for federal, state, and local statutes including the Political Reform Act, the Brown Act, and the Public Records Act. The City Clerk manages public inquiries and relationships and arranges for ceremonial and official functions. The City Clerk's Office is committed to providing exceptional public service and connecting citizens with the legislative process.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

- Implemented a citywide electronic signature program.
- Acted as an election ballot drop off host on behalf of the County of Placer.
- Continued to build upon the established library of City Clerk's Office various document templates utilized by City departments.
- Successfully planned and executed the Placer's City and County Officials Association Dinner.

GOALS & OBJECTIVES

- Conduct the City of Rocklin's City Council 2022 General Election.
- Implement and facilitate the transition to a new citywide public meeting agenda management program.
- Manage the transition of the City's electronic records management system (ERMS) to be utilized by all city departments.

BUDGET CHANGES

- Funding for the City of Rocklin's City Council 2022 General Election.

OVERVIEW OF THE SERVICES

The Administrative Services Department provides financial and human resources support to all City departments. The Department consists of two divisions: Finance and Human Resources.

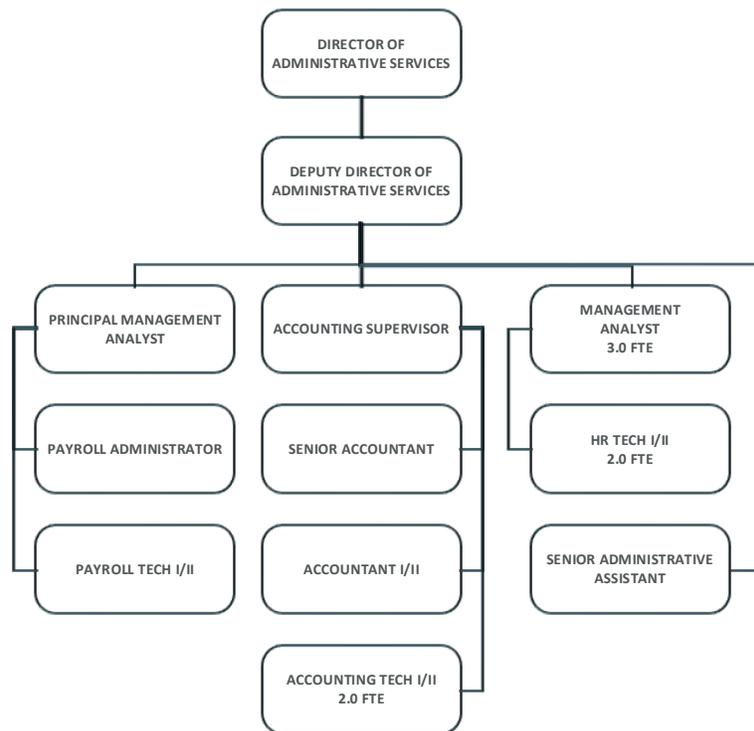

HUMAN RESOURCES DIVISION

The Human Resources Division oversees the City’s benefits administration, recruitment and selection, classification and compensation, employee relations, labor relations, leaves management, risk management (workers compensation, and safety), training and staff development, performance management, and organizational development.

FINANCE DIVISION

The Finance Division provides services in budgeting, investing and cash management, issuance and management of debt, infrastructure financing, accounting, accounts payable, accounts receivable, and payroll.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

- Implemented a new Employee Assistance Program.
- Implemented a 9/80-4/10 Alternative Work Schedule option citywide.
- Completed contract negotiations for AFSCME bargaining group.
- Successfully implemented an internal customer interface (intranet) using SharePoint.
- Obtained an unmodified “clean” audit opinion on the Annual Comprehensive Financial Report for fiscal year ended June 30, 2021.

- Processed 3,176 accounts payable checks in year 2021.
- Implemented Governmental Accounting Standards Board Statement No. 84, Fiduciary Activities for the fiscal year ended June 30, 2021.
- Implemented COVID-related sick leave banks.
- Retired Community Facilities District No. 3 - Mello-Roos bonds.

GOALS AND OBJECTIVES

- Develop and implement an annual employee recognition program to recognize years of service awards.
- Upgrade of the Tyler Munis Enterprise Resource Management system citywide.
- Obtain unmodified audit opinion on Annual Comprehensive Financial Report.
- Establish a robust investment portfolio through securing an Investment Advisor and Asset Management partner.
- Implement a new online recruitment system, which will provide efficiencies and more automated processes.
- Improve employee onboarding by implementing a comprehensive onboarding program and electronic signatures.

SIGNIFICANT CHANGES FROM PRIOR BUDGET

- Delete one vacant Accountant I/II (1.0 FTE) position in the Finance Division, with the reallocation of one Accounting Supervisor (1.0 FTE) position approved pursuant to Resolution No. 2021-227.
- The City is a member of the Northern California Cities Self Insurance Fund (NCCSIF), a Joint Powers Authority, established to protect member resources by stabilizing risk costs in a reliable, economical and beneficial manner. The NCCSIF provides coverage and services in risk management and claims management. The NCCSIF members’ historical loss data at 80% confidence level is used when budgeting for claims costs and expenses for the upcoming fiscal year. The FY 2022/23 insurance premium and worker’s compensation budgets are \$2.9 million, an increase of \$423,800 from the prior fiscal year.

OVERVIEW OF THE SERVICES

Information Technology (IT) manages and supports the City’s technology infrastructure, business and enterprise applications and databases, and information security. IT provides technical support to City Departments and Geographic Information System (GIS) services to City staff and neighboring municipalities. Other services include troubleshooting and issue resolution, systems design, software and hardware specification development, procurement of IT software and equipment, vendor contract and licensing management, project management, and ongoing maintenance and upgrades of existing software and hardware solutions across the City network.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

- Responded to 1,000 technical support requests.
- Maintained and provided 24/7 support for critical public safety systems including the computer aided dispatching and records management system utilized by the cities of Rocklin, Lincoln, and Auburn Police and Fire Departments.
- Standardized technology project management practices and implemented the online Zoho Project management solution to track IT projects and collaborate with stakeholders.
- Implemented a new mobile device management solution for centralized management of city-issued smartphones.
- Assisted the Police Department with the implementation of an interview room recording system for police investigations.
- Upgraded the City’s private cloud infrastructure with new virtualization host servers to ensure adequate performance and high availability of departmental and enterprise software solutions into the future.
- New GIS tools were implemented to analyze and optimize the Fire Department’s emergency response zones.
- The latest next-generation firewall technology was deployed to protect the City’s data network.
- Completed a City-wide upgrade of Mitel IP Phones and VDI thin clients.
- Worked with the City Clerk’s Office to implement the DocuSign digital signature solution for City agreements.

- Assisted the Community Development Department with implementation of a new residential building permit guide to reduce calls and traffic into the Permit Center and provide higher levels of customer service.
- Expanded the City’s advanced traffic management system to over 30 intersections.

GOALS AND OBJECTIVES

In addition to providing a high level of support to City Departments and completing scheduled back office equipment upgrades and software maintenance activities, work with City Departments to:

- Expand the use of online meeting and collaboration services citywide.
- Complete the implementation of electronic signatures, electronic plan reviews, and the Granicus Peak agenda management and indexed video streaming solution for public meetings.
- Perform a major upgrade of the Tyler Munis Enterprise Resources System.
- Expand the development of the City’s SharePoint Intranet site.
- Implement the Tyler Brazos E-Citation solution.
- Implement the CentralSquare CodeTRAK solution.
- Implement the eBix Certificate of Insurance Management service.
- Conduct an RFP to identify a replacement solution for the SIRE enterprise document management and retention system.

SIGNIFICANT CHANGES FROM THE PRIOR BUDGET

- Add an Information Technology Specialist (1.0 FTE) position to provide adequate citywide IT Help Desk and application support.

OVERVIEW OF SERVICES

The Community Development Department oversees the responsible and sustainable growth of the City while ensuring safety and quality of life. The Department consists of six divisions: Building Services, Code Enforcement, Engineering Services, Housing Services, Permit Center, and Planning Services.

BUILDING SERVICES

The Building Services Division is responsible for building plan reviews, building inspections, and building reports and statistics.

CODE ENFORCEMENT

The Code Enforcement Division provides quality customer service and is responsive to citizen complaints that are potential violations of the Rocklin Municipal Code and California Health and Safety Codes. Code Enforcement upholds and enforces codes and standards established to protect the public health, safety and welfare of our citizens and to maintain or improve quality of life and property values within our community.

ENGINEERING SERVICES

The Engineering Services Division provides a host of technical services to the development community, as well as residents and City staff. The Division provides engineering review, processing and approval of private development projects, and the issuance of engineering-related permits, including: improvement plans, final maps, lot line adjustments, grant and summary vacation of easements, management of the improvements through the construction stage, and administering City development standards.

HOUSING SERVICES

The Housing Services Division provides long-range planning assistance to the Planning Division, administers the City's affordable housing programs, focuses on implementing the Housing Element of the City's General Plan, and oversees annual funding received from the U.S. Department of Housing and Urban Development in the form of Community Development Block Grants (CDBG).

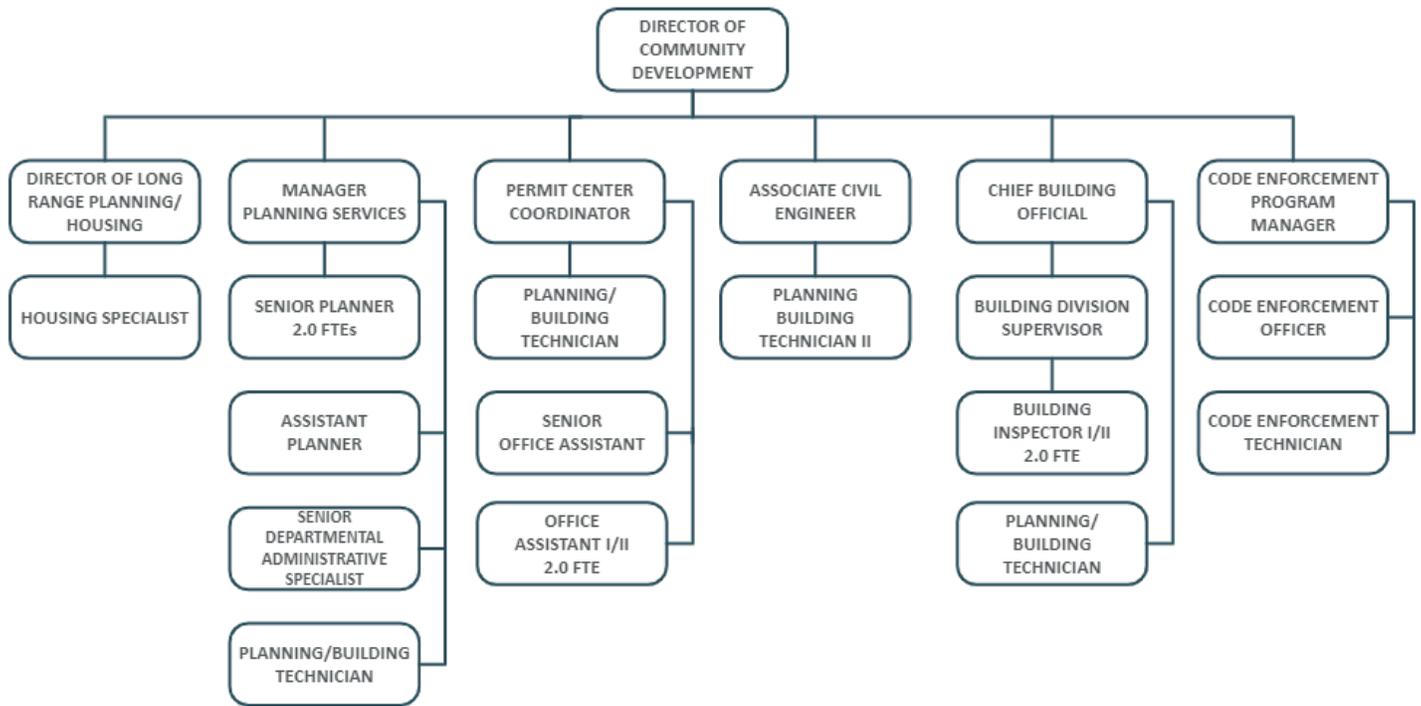

PERMIT CENTER

The Permit Center is the primary point of contact for development-related inquiries, project submittals, plan and permit issuance, and fee calculations and payments.

PLANNING SERVICES

The Planning Services Division implements and monitors the City's growth and development policies, processes development entitlement applications, updates and maintains the City's long-range planning documents and processes administrative permits.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

BUILDING SERVICES & PERMIT CENTER

- Implemented the Electronic Plan Submittal and Review process.
- Implemented an Online Permit Guide tool that will lead customers through the steps of the permit process and provide required forms and documents based upon the scope of work.
- Provided plan review and inspection services to allow for businesses to open including but not limited to Park Drive Storage, Quick Quack Car Wash on Sierra College Boulevard, Marco’s Pizza, Trader Joes, Niello Porsche addition and Land Rover/Jaguar co-brand building.

ENGINEERING SERVICES

- Commenced review of site improvement plans for 11 new projects, reviewed 15 projects for pre-application, and reviewed approximately ten Planning Entitlements.
- Reviewed and approved six construction projects for grading and site improvement plans, six final parcel and subdivision maps, five lot line adjustments, three Grant Deeds, and eight Community Facilities District Annexation Maps for recordation with Placer County.
- Prepared list of Engineering processes for review with Assessment Consultant.

CODE ENFORCEMENT

- Developed and processed amendments to the Rocklin Municipal Code for the property maintenance, off-street parking of accessory vehicles and graffiti abatement sections.
- Completed testing of COMCATE Code Manager 2.0 case management software for purposes of creating mobile capability for the Division.
- Maintained a high efficiency rating by recording a 91.3% compliance rate since July, 2021.
- Resolved 948 violations out of 1,056 verified since July, 2021.
- Successfully implemented a modified proactive code enforcement model to meet industry best practices and to provide a more fair and equitable approach to enforcement within the community.

HOUSING SERVICES

- Implemented an annual allocation of Community Development Block Grant (CDBG) funds related to housing and community development.
- Maintained and updated an annual database of apartments in the City, highlighting affordable housing options, and maintained interjurisdictional partnerships related to the Housing Choice Voucher Program.
- Maintained relationships with housing advocates in the areas of homeless prevention, transitional housing, fair housing issues and special needs resources and served as a board member on the Placer County Continuum of Care.
- Adopted the 2021 Housing Element Update and the 2021 Community Safety Element Update, including the 2021 Placer County Local Hazard Mitigation Plan.

PLANNING SERVICES

- Processed land use entitlement applications and received approvals for projects including but not limited to Terracina Apartments, Tractor Supply, Maverick Gas Station, Whitney Ranch Chevron and Carwash, Lyon Oil Change, Pasquetti Headquarters, J&S Asphalt Headquarters, Clover Valley Development Agreement Amendment, Cool Pools Mixed Use, and Costa Building.
- Developed and processed amendments to the Rocklin Municipal Code for updates to Patio Cover Standards and Non-Commercial Sign Standards.

GOALS AND OBJECTIVES

BUILDING SERVICES AND PERMIT CENTER

- Complete implementation of Electronic Plan Submittal and Review to provide better and more efficient customer service by making it easier and faster to submit plans and documents and accelerate the plan review process.
- Improve customer service experience by expanding the use of an Online Permit Guide to cover the majority of building plan submittal types and making the permit process easier to understand.

ENGINEERING SERVICES

- Prepare and update Engineering processes checklists and plan review checklists.
- Implement DocuSign for Engineering-related contracts and agreements to streamline contract routing with external vendors/contractors.
- Begin compiling lists of City Notes and Standards to be updated and coordinate with Public Services to update the City Notes and Standards documents.
- Retain Consultant for plan review services, including private water line, structural calculations, and Storm Water Pollution Prevention Plans.

CODE ENFORCEMENT

- Complete upgrade of COMCATE Code Manager 2.0 case management software.
- Maintain and improve on Code Enforcement Division measurables by increasing compliance rate, resolving verified violations, and slowly increase the proactive rate to align with reactive rate.
- Develop and Implement minimum Code Enforcement Officer safety standards and obtain necessary safety equipment and training to comply with SB 296.

HOUSING SERVICES

- Administer approximately \$284,000 in CDBG funds for sidewalk repair, ADA improvements, and public service programs.
- Administer \$200,000 to \$400,000 in CDBG-Coronavirus funds.
- Assist with processing of Rezones and General Plan Amendments necessary to address the City's Available Sites Inventory and meet the Regional Housing Needs Allocation (RHNA) identified in the 2021-2029 Housing Element.
- Conduct a Housing Conditions Survey and assess local needs for Housing Rehabilitation, and prepare Accessory Dwelling Unit (ADU) marketing material.
- Complete the Circulation Element Update, associated Environmental Impact Report and resulting Traffic Impact Fee Update.

PLANNING SERVICES

- Continue to evaluate and process land use entitlement applications and take them forward to public hearings.
- Continue to evaluate the processes, procedures, and staffing of the Planning Division in order to maximize efficiency and productivity.

SIGNIFICANT CHANGES FROM THE PRIOR BUDGET

- Funding to support affordable housing development projects (\$1.6 million) in the Low and Moderate Income Housing Asset Fund.

OVERVIEW OF THE SERVICES

The Fire Department provides response to emergencies throughout the City in an effort to minimize injuries, loss of life, property and environmental damage. The Department consists of four divisions: Fire Administration, Field Operations, Fire Prevention and Emergency Management.

FIRE ADMINISTRATION

Fire Administration is responsible for managing Department contracts, budget, recruiting new personnel, purchasing personal protective equipment, apparatus acquisition, scheduling of school tours, overseeing the Department’s operating budget and providing general information to the public.

FIELD OPERATIONS

Field Operations is responsible for all emergency and non-emergency responses in the community, which include responses for fires, medical emergencies, technical rescues, motor vehicle accidents and other natural or man-made disasters.

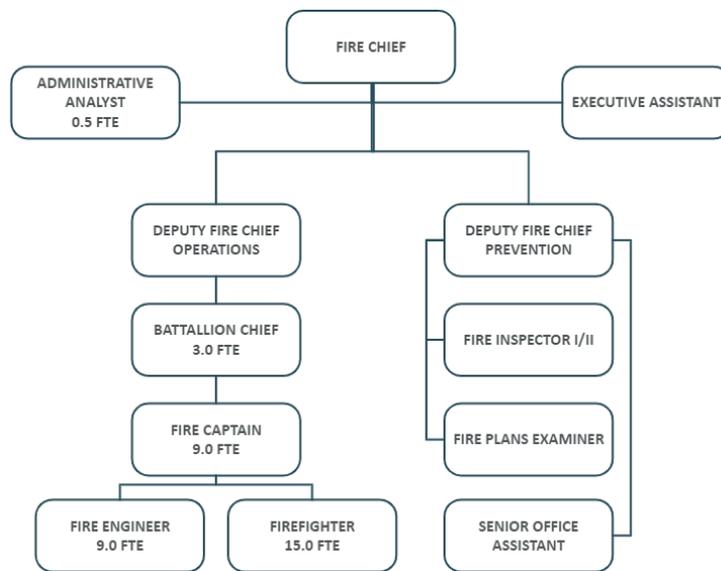

FIRE PREVENTION

Fire Prevention supports the community by providing fire plan review services for new and tenant improvement projects, conducting life safety inspections, providing operational permits for increased hazards, investigation of suspicious fires, and providing public education to reduce the occurrence of fires and other hazardous conditions.

EMERGENCY MANAGEMENT

Emergency Management is responsible for the oversight of the City’s Emergency Operations Center (EOC) and serves at the will of the Director of Emergency Services (City Manager) to provide and coordinate training, policy development, staffing and activations of the EOC.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

FIRE ADMINISTRATION

- Completed the Department's Strategic Plan and Standards of Coverage documents.
- Implemented the First Responder Fee to assist in supporting the Department's Paramedic services.

FIRE OPERATIONS

- Responded to 6,290 total incidents in 2021.
- Mitigated 16 significant incidents within the City.
- Deployed firefighters on 14 wildfire disasters.

FIRE PREVENTION

- Implemented the Compliance Engine, which allows third-party inspection and testing companies to submit documents electronically.
- Hired a Fire Inspector to conduct annual State Mandated Inspections of high hazard facilities.
- Completed 759 fire inspections and reviewed 524 building, fire, and engineering plans.
- Conducted 17 public education events.
- Established a position to assist in community development relative to fire and life safety within the City.
- Instituted an Arson Unit program designed to investigate suspicious fires within the City.

EMERGENCY MANAGEMENT

- Revised the City Emergency Operations Plan.
- Participated in updating the Placer County Local Mitigation Hazard Plan.

GOALS AND OBJECTIVES

FIRE ADMINISTRATION

- Seek grant opportunities to maintain and/or enhance service delivery.
- Promote and hire new firefighters.
- Reduce financial and legal risk/liability to the Fire Department and City of Rocklin.
- Maintain fiscal responsibility by identifying areas to increase efficiencies.

FIRE OPERATIONS

- Implement technology-based solutions to improve report writing for emergency medical incidents.
- Provide post-traumatic stress syndrome training for first responders.
- Improve survivability for victims of fire, hazardous material release, entrapment or other crisis incidents.
- Improve survivability of patients experiencing acute medical emergencies.
- Improve firefighter safety and survival.

FIRE PREVENTION

- Implement technology-based solutions to conduct field inspections that result in efficiencies for customers.

EMERGENCY MANAGEMENT

- Provide incident command system training to employees responsible for staffing the EOC.

SIGNIFICANT CHANGES FROM THE PRIOR BUDGET

- Restore a budget for one frozen Firefighter (1.0 FTE) position.

OVERVIEW OF THE SERVICES

The Parks and Recreation Department provides parks, facilities and recreation experiences to enhance quality of life. The Department consists of three divisions: Business Services, Recreation, and Parks.

BUSINESS SERVICES DIVISION

The Business Services Division provides services in budgeting, finance, administration, facility maintenance, operations, rentals, marketing, and public information.

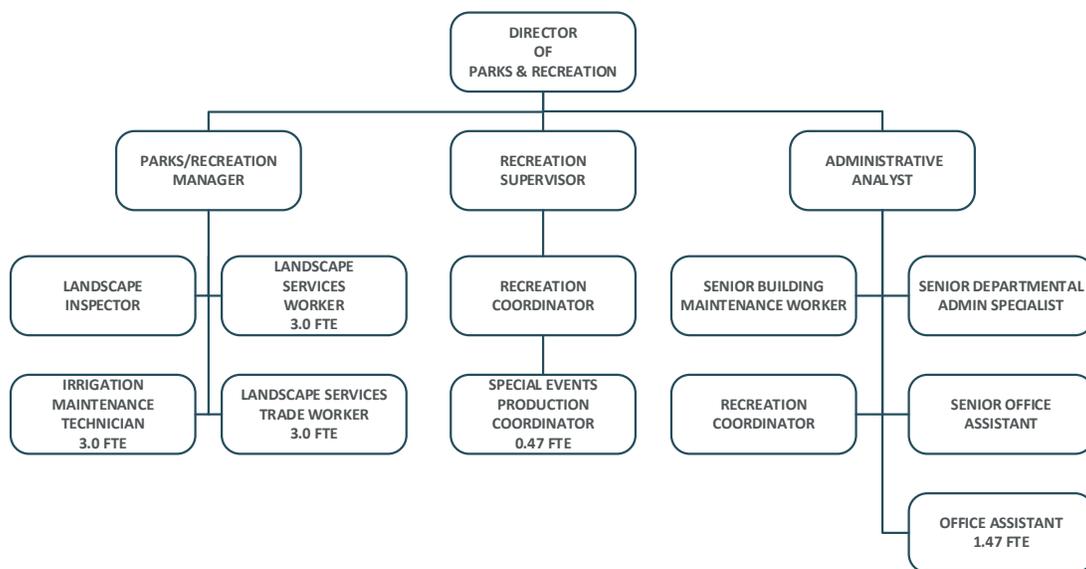

RECREATION DIVISION

The Recreation Division provides services in recreation programs, park and field rentals, League group operations, and special events.

PARKS DIVISION

The Parks Division provides services in new landscape construction, park maintenance and inspections, special projects, park lighting and renovations, weed abatement, pesticide program and water management.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

BUSINESS SERVICES

- Obtained \$428,000 Proposition 68 Grant Funding for Sunset Whitney Recreation Area (SWRA) East Trails.
- Obtained construction bid and contract for Phase I of SWRA East Trails.
- SWRA Masterplan Request for Proposal (RFP) and Consultant selection.
- Whitney Park Asphalt Pump Track RFP release.
- Re-opened all rental facilities to full capacity. Revenues, attendance, and registrations back to pre-pandemic benchmarks.

- Successful first operating season for ST Productions at Quarry Park Amphitheater with 18 total events and over 15,000 attendees.
- Created new Business Services Division and completed department re-organization.

RECREATION

- Addition of eight new Recreation programs: Dance Events, Yoga, Pilates, Pokémon Club, Drone Camp, Pickle Ball, Boys/Girls specific Tennis and Soccer, Movie Production Camp, and TV Production Camp.
- Recreation Supervisor position created and new Program Coordinator added to assist with increased programming and events.
- Added “Rocklin Civic Celebration” and “Park Pulse Harvest Festival” to the department’s annual events calendar.
- Executed a contract for a contract instructor to provide Adult Sports programming.
- Introduced new Rec Guide mailers to increase registration. 30,000 mailers sent to Rocklin residents.

PARKS

- Inclusion in the 2022 CPRS Conference “Parks Make Life Better Tour”, showcasing Quarry Park Adventures and Quarry Park Amphitheater to P&R professionals across the state.
- Completed the Gayaldo Park Phase II project.
- Completed the SWRA East Trails Phase I construction project.
- Completed the George and Kathy Magnuson Park Pavilion plaque installation.
- Completion of Quarry Park Amphitheater upgrades, including turf and lighting renovations.

GOALS AND OBJECTIVES

BUSINESS SERVICES

- Increase weekday utilization of City facilities via marketing, technology enhancements, and pricing strategies.
- Implement department Mission, Vision, Values and create strategic Goals and Objectives for the department.
- Creation of the SWRA Master Plan.

RECREATION

- Expand programs and activities offered, with an emphasis on preschool age children and teens.
- Expand aquatics programs and partnerships. Increase resident access to swim lessons, classes, and open swim.
- Increase cultural events to the City’s annual event schedule.
- Full implementation of Adult Sports programming.
- Continue partnership with ST Productions to increase programming at Quarry Park Amphitheater.

PARKS

- Complete SWRA East Trails and open property to the public.
- Whitney Park Asphalt Pump Tract design and construction.
- New neighborhood park opening – Sierra Pine.
- Create a succession plan within the Parks division.

SIGNIFICANT CHANGES FROM THE PRIOR BUDGET

- Add an Irrigation Technician (1.0 FTE) position and a truck (\$48,600) to address the workload. This position will allow for the 37 parks to be divided into three regions, creating an overall balance and allow for manageable irrigation maintenance. Position costs will be offset by deleting two permanent part-time (0.47 FTE Senior Program Assistant and 0.47 FTE Program Analyst II) positions. The vehicle budget will be allocated between the General Fund (\$24,300) and CFD No. 5 (\$24,300) Fund.
- Add a Recreation Coordinator (1.0 FTE) position for venue rentals, monitoring, and supervision of part-time positions. Costs will be offset by deleting Program Assistant II (0.94 FTE) permanent part-time positions and reducing non-permanent part-time budgets.
- Provide funding for the SWRA East Trails (\$546,300), SWRA Recreation (\$764,800), and SWRA Restrooms (\$230,000) projects with a transfer from the General Fund fund balance commitments: Open all SWRA Trails, Park Improvements, and Park Infrastructure commitments.
- Provide funding for the Bike Pump Track at Whitney Community Park project from the Whitney Ranch Community Park Fees Fund.

OVERVIEW OF SERVICES

The Rocklin Police Department provides law enforcement services to the City of Rocklin. The Department consists of four divisions: Administration, Operations, Investigations and Support Services.

ADMINISTRATION DIVISION

The Administration Division supports other divisions of the Department, but also has Professional Standards (previously known as Internal Affairs). The Professional Standards Unit (PSU) is primarily responsible for protecting the integrity and reputation of the Police Department. This entails managing the agency’s accreditation process to overseeing the complaint and commendation processes of police personnel. The PSU, in collaboration with the Human Resources, coordinates testing, interviewing and background investigations to recruit the best possible candidates.

OPERATIONS

The Operations Division is the largest division in the Department, and consists of several police units including Patrol, SWAT, Animal Control, Canine, Traffic/Motors, Reserve Program, Field Training, and Community Services.

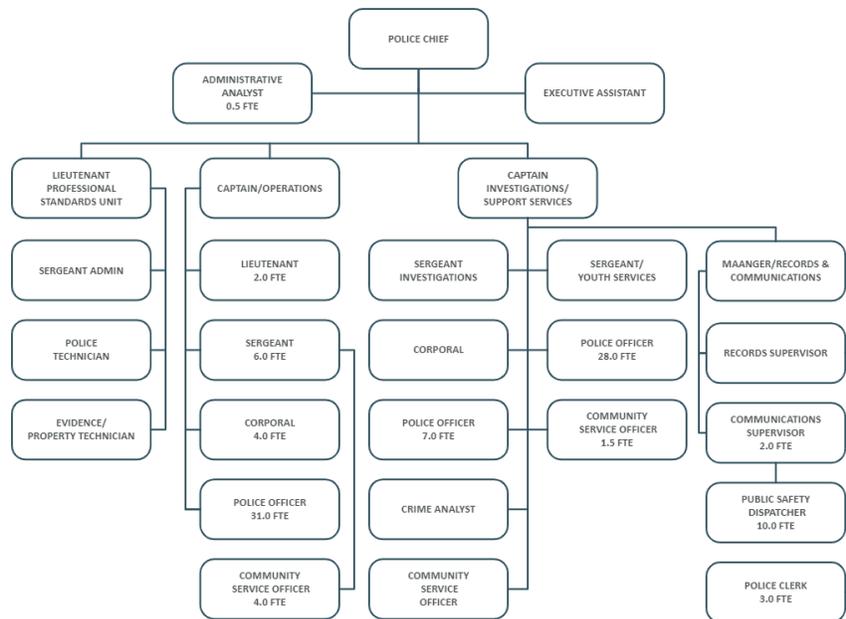

INVESTIGATIONS

The Investigations Division consists of several units: Detectives assigned to the Rocklin Police Department, Placer County Special Investigations Unit (SIU), the Regional Auto Theft Task Force (RATTF), TRIDENT, Youth Services covering Sierra College, Rocklin High School, Whitney High School, Victory High School and all Rocklin Unified Middle and Elementary Schools.

SUPPORT SERVICES

The Support Services Division consists of the 911 Communications Center, Records, Technical Services, Crime Prevention and Volunteers.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

- Completed the 1st year of a 4-year review process for CALEA accreditation.
- Implemented the Drone program. The drones were utilized on 52 calls in 2021, totaling 150 flights. The drones were utilized on several local protests and large crowd events to assist officers on the ground. Drones were also used for identifying homeless camps, to search for missing persons, and other police investigation/operational situations.
- Deployed five Automatic License Plate Reader (ALPR) cameras throughout the City.

GOALS AND OBJECTIVES

- Health & Wellness – the Department is working towards an overall Health & Wellness program for staff to include enrichment training, physical and mental health, and a strong Peer Support Team. As part of the program, the Department Wellness Manual will be updated.
- Streamline Police Operations through use of technologies. This includes ECites, CIBRS/NIBRS application, RIPA mandatory requirements and incorporating these processes through RIMS (Records Integrated Management System/Computer Aided Dispatch).
- Promote continued community connections through use of various social media outlets. As the needs and expectations of social media evolve, so must the Department's approach to providing that interaction with their followers and the community. We continue to strive for transparency, education, crime prevention and information sharing to provide insight for the community into their Police Department.
- Deploy 23 ALPR cameras throughout the City.

SIGNIFICANT CHANGES FROM PRIOR BUDGET

- Add two Police Officer (2.0 FTE) positions and a vehicle in the Police Operations.
- One-time funding to replace the VHF Motorola Radio System as it has reached the end of its useful life and parts are obsolete.

OVERVIEW OF THE SERVICES

The primary responsibility of the Public Services Department is to maintain the City's infrastructure in support of the community, the City's General Plan, and other City Departments. The Department designs, builds and maintains facilities and other public areas, coordinates street excavation and pavement maintenance work, manages the City's vehicle and equipment fleet, monitors water quality and regulates street and sidewalk use while enhancing and protecting the public rights-of-way. The Department consists of eight divisions: Streets, Environmental Services, Landscape, Traffic Signals & Lighting/Operations, Engineering, Facilities, Fleet Services and Administration.

STREETS

The Streets Division is responsible for streets and alleys, storm water and creek maintenance, open space maintenance, and the City's rights-of-way.

ENVIRONMENTAL SERVICES

This division is responsible for Federal/State/Local regulatory processes, procedures, permitting, and programs. Also, the City's grazing, weed abatement, environmental, related community partnerships, and departmental risk management oversight are managed by this division.

LANDSCAPE

All landscape on City-owned streets, rights-of-way, and pocket parks are managed and repaired by this division. This includes the installation and maintenance of all City-owned fencing within the City right-of-way.

TRAFFIC SIGNALS & LIGHTING/OPERATIONS

This division is responsible for our community's safe and efficient movement of people, goods and services throughout our roadways. They manage the traffic signals, street lights, and all signs and roadway markings.

ENGINEERING

Engineering provides design services, project management, and inspection services for maintenance, capital improvement, and private development projects.

FLEET SERVICES

The Fleet Services Division acquires and maintains all City vehicles, including fire trucks, police cars and construction and maintenance equipment.

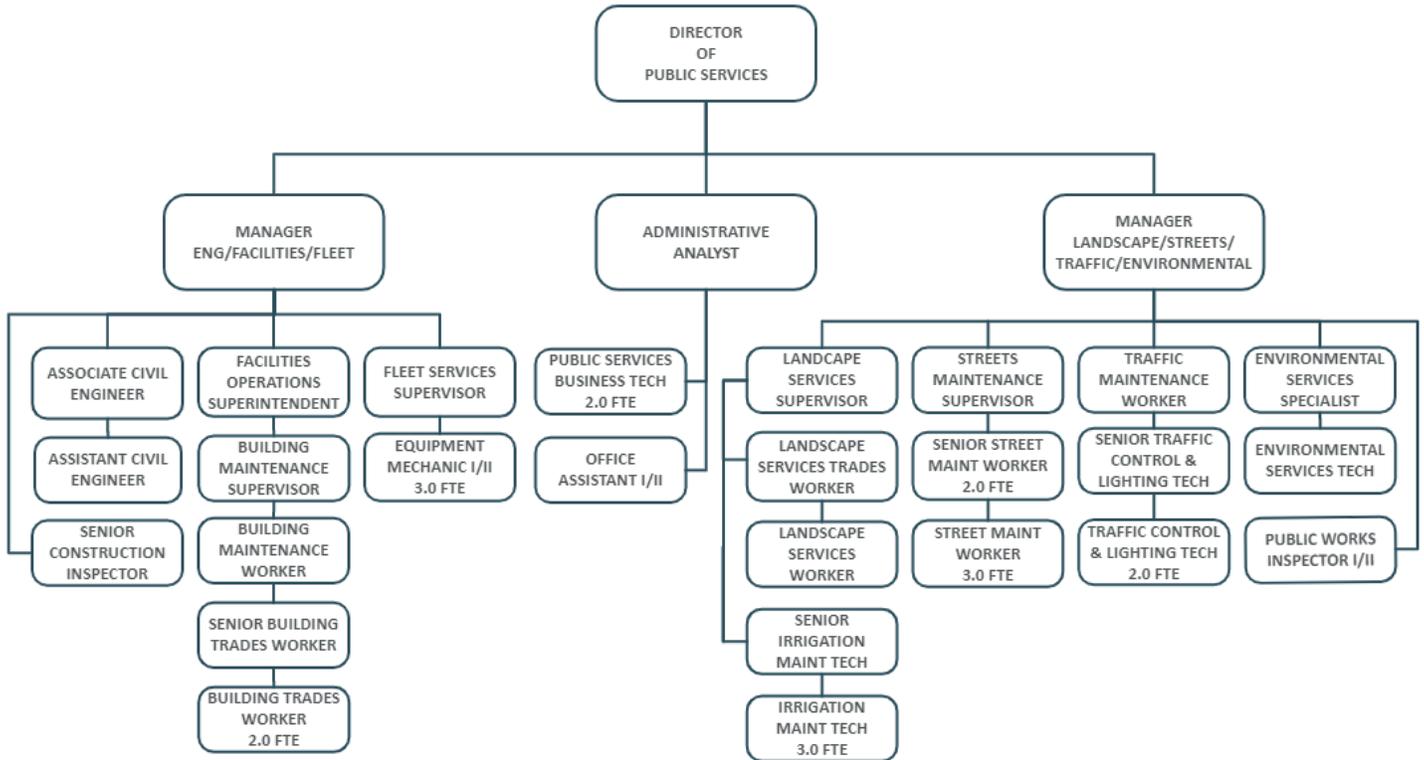

FACILITIES

The Facilities Division is responsible for the design, development, and maintenance of all City facilities. This includes City Administrative Offices, Police, Fire, Recreation, and Rental Facilities.

ADMINISTRATION

This Division provides administrative assistance/support to all divisions within the Department. This includes, but is not limited to, project bid development and tracking, contract documentation management, financial and budget development and monitoring, as well as, general administrative duties.

ORGANIZATIONAL CHART

ACCOMPLISHMENTS

- Received grant funding to develop and implement the Local Road and Safety Plan (LRSP), which has been adopted by the City.
- Completed the selection process and entered into a contract for the environmental portion of the Rocklin Road/Sierra College Corridor Multimodal Enhancements project.
- Completed Winding Lane Curve/Lost Avenue Intersection Improvements.
- Awarded the Contract for the Rocklin Road at Pacific Road Roundabout.
- Multiple storm-related emergency repairs on City roadways and drainage infrastructure were completed.
- Taking the lead in the City’s coordination with the surrounding municipalities, local businesses and Placer County to implement the California SB 1383 organics waste requirements that took effect on April 1, 2022.
- Working with the Fire Department, two Type III and one Type VI fire apparatuses were purchased and are being constructed with an anticipated delivery date in 2023.
- Completed Mission Hills Phase III Roadway Rehabilitation Project.
- Completed Mountaingate ADA Upgrade Project.

GOALS AND OBJECTIVES

- Implement SB 1383 Citywide.
- Update Pavement Management Plan.
- Update General Open Space Management Plan.
- Complete Rocklin Road/Pacific Street Roundabout Project.
- Update CIP documents to better compete for future grant funding opportunities.
- Continue to identify and pursue energy saving opportunities.
- Complete Mountaingate Pavement Rehabilitation Project.
- Update Department Strategic Plan.

SIGNIFICANT CHANGES FROM THE PRIOR BUDGET

- Add a Public Services Business Technician (1.0 FTE) position for the implementation and administration of SB 1383 – Organic Waste and Recycling. Part of the position cost is being offset by the SB 1383 Local Assistance Grant Program funds (\$100,300) from CalRecycle and the remainder from increases in franchise tax revenue.

SECTION 5: DEFINITIONS

GOVERNMENTAL FUNDS**GENERAL FUNDS**

General Fund 100	The primary operating fund of the City. It is used to account for all activities except those legally or administratively required to be accounted for in other funds.
Americans with Disabilities Act (ADA) 737	The ADA is a federal civil rights law that prohibits discrimination against individuals with disabilities in all areas of public life, including all public and private places that are open to the general public. This fund accounts for monies used for services and improvements to facilities for individuals with disabilities.
Boroski Landfill Monitoring 727	This fund accounts for costs to monitor the Boroski Landfill.
General Fund Economic Development 122	This is a general fund type fund that accounts for committed funds previously set aside to be used for economic development activities.
General Fund Quarry Park Adventure Shortfall 115	This is a general fund type fund that accounts for a set aside for Quarry Park Adventures operating shortfalls, to be used as needed for deficits, up to the amount specified in the contract with the park operator.
General Fund Quarry Park Amphitheater Events 111	This is a general fund type fund that accounts for the special event activities hosted by the Parks and Recreation Department at the Quarry Park Amphitheater.
General Fund Streets Maintenance Reserve 120	This is a general fund type fund. These committed funds are set aside to be used for the maintenance of streets and roads.
Retirees Health 151	This fund accounts for monies to fund the Retirees' Health premium payments and to fund the Retirees' Health Trust. Budget policy requires 5% of any annual General Fund unreserved surplus to be transferred to the Retirees' Health Fund.
Technology Fees 130	This fund accounts for fees collected to cover the cost of e-commerce and related technology systems.
SPECIAL REVENUE FUNDS	
American Rescue Plan Act 266	This fund accounts for funds received through the Federal American Rescue Plan Act.

Asset Forfeiture (Federal) 243	This fund accounts for funds received by the Police Department from the Federal Government to share assets forfeited in cases worked on with joint efforts. Funds are to be used to support law enforcement efforts.
Asset Forfeiture (State) 242	This fund accounts for funds received by the Police Department from the State. 15% of these funds must be set aside to combat drug abuse and divert gang activity. Funds remaining after the 15% set aside are to be used to support law enforcement efforts.
Bicycle and Pedestrian 212	This fund accounts for Senate Bill 325 (Local Transportation Fund) amounts designated for Bicycle and Pedestrian transit needs of local government.
CASp Certification and Training 248	This fund accounts for SB 1186 monies collected for staff training for construction-related state accessibility requirements.
CDBG 2000 (Oak Court) 253	This fund accounts for State Community Development Block Grant funds received for the City's down payment assistance program for purchasers of Oak Court residences.
CDBG First Time Home Buyers 254	This fund accounts for State Community Development Block Grant funds received for the City's down payment assistance program for first time home buyers.
CDBG Housing and Urban Development Entitlement 257	This fund accounts for funds received from Federal Community Development Block Grant entitlement grant awards to be used for Public Services, Housing and Capital, Planning and Administration of Grant.
CDBG Housing Rehabilitation 251	This fund accounts for State Community Development Block Grant funds received for the City's housing rehabilitation program.
CDBG HUD Coronavirus 258	This fund accounts for funds received from the Federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act) through the Dept. of Housing & Urban Development to be used to prevent, prepare for, and respond to COVID-19.
Community Facilities District 1 231	This fund accounts for special tax monies used for fire protection, fire suppression, and paramedic services.
Community Facilities District 5 232	This fund accounts for special tax monies used for streets and parkway lights, streetscapes, open space and parks.
Community Facilities District 6 233	This fund accounts for special tax monies used for operation and maintenance of open space and storm drainage facilities.
DOF Treasury Coronavirus 259	This fund accounts for funds received from the CARES Act through the Department of Finance to be used to prevent, prepare for, and respond to COVID-19.

Grant & Other Reimbursables 275	This fund accounts for reimbursable costs for grants or other reimbursement agreements.
LCTP 219	This fund accounts for monies from the state-funded Low Carbon Transportation Program to reduce greenhouse gas emissions and improve mobility.
Lighting & Landscape Maintenance District No. 2 235	This fund accounts for special assessment monies used for lighting and landscape of public areas within the District.
Lighting Maintenance District 1 230	This fund accounts for special assessment monies used for lighting of public areas within the District.
Motor Vehicle Fuel Tax (Gas Tax) 201	This fund accounts for monies received from the State of California under various State statutes. The allocations must be spent for street transportation-related purposes.
Park Development and Maintenance Tax 236	This fund accounts for special tax monies used for maintenance, development, repair and operation of parks.
Recreation Facilities Contribution 221	This fund accounts for facilities construction and improvements.
SB1- Road Maintenance & Rehab Allocation 205	This fund accounts for monies designated by the Road Repair and Accountability Act of 2017 (SB 1) to be used for maintenance, rehabilitation and safety improvements of streets and highways.
SB325 Sales Tax 210	This fund accounts for the remaining sales tax revenue collected in accordance with SB 325 (Local Transportation Fund) to be used for maintenance of streets.
SB325 Transit Funds 211	This fund accounts for monies from the SB 325 (Local Transportation Fund) and State Transit Assistance funds for the transit needs of local government.
Streets Grants Fund 240	This fund accounts for various grants related to street capital projects.
Supplemental Law Enforcement Grant 736	This fund accounts for state funds received to be used for public safety purposes.
Traffic Safety/PD Grants 244	This fund accounts for monies received for traffic safety programs and police grants.

CAPITAL PROJECT FUNDS

Capital Construction Tax 304	This fund accounts for taxes imposed on Development to be used for development of public facilities and acquisition of fire equipment and is the funding source to pay the debt payments in Fund 400 Capital Construction Debt Service.
Community Park Fees 301	This fund accounts for impact fees used for community parks and city-wide recreational facility construction and improvements to reduce the impacts caused by new development within the City.
NW Rocklin Community Park Fees 307	This fund accounts for impact fees used to fund the North West Rocklin Community Park.
Oak Tree Mitigation Fees 305	This fund accounts for fees used to help mitigate the decline of oak woodlands due to urbanization.
Park Development Fees 300	This fund accounts for fees to be used for the development, installation, servicing, maintenance, repair and operation of parks and related recreation and facilities.
Public Facilities Impact Fees 308	This fund accounts for impact fees used to fund expansion of public facilities to serve new development within the City.
Rocklin Public Financing Authority 311	This fund accounts for debt funded capital construction projects.
Traffic Circulation Impact Fees 302	This fund accounts for impact fees used to finance street construction and improvements to reduce the impacts caused by new development within the City.
Whitney Ranch Interchange Fees 325	This fund accounts for impact fees used to develop the Whitney Ranch/Highway 65 Interchange.
Whitney Ranch Trunk Sewer Project 306	This fund accounts for impact fees used to fund the Whitney Ranch Trunk Sewer Project.
DEBT SERVICE FUND	
Capital Construction Debt Service 400	This fund accounts for the principal and interest payments on capital construction debt such as Lease Revenue Bonds.

PERMANENT FUNDS

Conservation Easement Endowment 729	This fund accounts for an endowment from which the income will fund initial preserve area maintenance and operations in Sunset Ranchos Phase I.
Wetlands Maintenance 728	This fund accounts for an endowment from which the income will fund ongoing maintenance of wetlands on a single lot parcel in Stanford Ranch Phase III.

INTERNAL SERVICE FUNDS

Fleet Management 500	An internal service fund used to account for the cost of maintenance of all City vehicles and a reserve to offset future replacement costs.
Risk Management 525	An internal service fund to account for and finance the risk management functions for the City. This includes general liability, workers compensation, property damage, dental, vision, and other insurance expenditures and also holds reserves for Self-Insured Losses and Disaster Contingency.

FIDUCIARY FUND

Public Arts Trust Fund 739	This fund accounts for donations and expenditures for public arts projects.

RESOLUTION NO. 2022-145

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROCKLIN
ADOPTING THE FISCAL YEAR 2022/23 BUDGET AND
2023-2027 CAPITAL IMPROVEMENT PLAN

WHEREAS, Chapter 3.28 of the Rocklin Municipal Code (RMC) requires the City Manager to submit to the City Council a proposed budget not later than May 15th, and the City Council adopt the final budget on or before June 30th of each year by resolution.

WHEREAS, on May 26, 2022, pursuant to Chapter 3.28 of the RMC, the draft fiscal year (FY) 2022/23 budget and the draft 2023-2027 capital improvement plan were discussed at a public meeting of the City Council, and thereafter, no changes were made to the draft budget; and

WHEREAS, the City of Rocklin has maintained sustainable budget guidelines and key management practices to establish the financial goals of the City and the principles that govern budget deliberations, and are memorized in Exhibit "A".

NOW THEREFORE, the City Council of the City of Rocklin does resolve as follows:

Section 1. The fiscal year 2022/23 Operating and Capital Improvement Plan Budgets are hereby approved and adopted as set forth in Exhibits "A and B", attached hereto.

Section 2. The 2023-2027 Capital Improvement Plan (CIP), which provides a comprehensive five-year plan for the City's capital project expenditures are hereby approved and adopted as set forth in Exhibit "B", attached hereto.

Section 3. The City Manager is authorized to make any expenditure and resource adjustments to the Budget based on final City Council action to adopt the Budget, in accordance with the Rocklin Municipal Code, City policy and procedure.

Section 4. The City Manager is authorized to revise any appropriation made in the Approved or Amended Budget where the revision is of a technical nature and is consistent with the City Council intent, the Rocklin Municipal Code, City policy and procedure.

Section 5. Purchase order commitments outstanding on June 30th, and associated appropriations, are hereby continued to the following fiscal year.

Section 6. The City Manager is authorized to make the following budget adjustments:

1. At year-end or upon closure of grants, adjust revenue and expenditure budgets associated with grants (federal, state, or local grants) to reflect actual revenues received and expenditures incurred in compliance with the original grant award and any amendments.

2. Appropriated grant funds remaining unspent at the end of the fiscal year must be retained and transferred to the following fiscal year to be expended to which they were appropriated.

3. Appropriated CIP funds remaining unspent at the end of the fiscal year, that are not required to balance the budget, can be retained and transferred to the following fiscal year for the originally approved projects and any amendments, excluding completed projects. All CIP carryover funds must be approved by the City Manager or the City Manager’s designee.

PASSED AND ADOPTED this 28th day of June, 2022, by the following vote:

AYES:	Councilmembers:	Broadway, Gayaldo, Halldin, Janda, Patterson
NOES:	Councilmembers:	None
ABSENT:	Councilmembers:	None
ABSTAIN:	Councilmembers:	None

 Bill Halldin, Mayor

ATTEST:

 Hope Ithurburn, City Clerk
