

PUBLIC REVIEW NOTICE

NOTICE IS HEREBY GIVEN that the City of Rocklin has prepared the broad-level environmental review for the following project which is available to the public for review and comment:

**RE: FOOTHILLS HABITAT FOR HUMANITY
SINGLE-FAMILY HOME REHABILITATION AND REPAIR PROJECT**

The program consists of minor repairs of single-family owner-occupied homes for extremely low income and very low income households. These repairs could include installation, replacement, or repair of stairs, decks, walkways, ADA improvements, landscape-related issues, doors and hardware, windows, minor painting and other such activities. The majority of the homes will be less than 50 years of age. Each project should not exceed \$1,000 unless approved by the City on a case-by-case basis.

The broad-level project site is City-wide and each specific project site will be reviewed individually through a tiered-review process.

Notice is hereby given that the City of Rocklin has prepared the broad-level environmental review for the project described above and is available to the public for review and comment. The review period for the broad-level environmental review begins on September 25, 2020 and ends on October 2, 2020.

The environmental document is available for review during normal business hours at the City of Rocklin Community Development Department, Planning Division, located at 3970 Rocklin Road, Rocklin, CA 95677 and online at <http://www.rocklin.ca.us/depts/develop/planning/currentenvirodocs.asp>.

Written comments regarding the environmental document may be submitted to the attention of the Housing and Environmental Services Specialist at the mailing address above or e-mailed to sharon.cohen@rocklin.ca.us.

The subrecipient is Foothills Habitat for Humanity.
