

FIRE CAPTAIN

Current Salary: Firefighters Local 3847 Salary Schedule

DEFINITION

Support the Mission of the department, to direct the activities and operations of personnel on an assigned company and maintain control of respective fire station(s)/quarters; direct and participate in firefighting and rescue activities; maintain and inspect all Fire Department equipment and property; provide responsible technical support to the Battalion Chief.

DISTINGUISHING CHARACTERISTICS

The Fire Captain is a supervisory level class. This position is distinguished from Firefighter in that the latter is not responsible for supervision. This position is distinguished from Battalion Chief in that the latter is a management level class.

SUPERVISION EXERCISED AND RECEIVED

Incumbents receive general direction from the Battalion Chief, and exercise direct supervision over assigned company personnel.

EXAMPLES OF DUTIES, KNOWLEDGE, AND ABILITIES

Duties may include, but are not limited to the following:

- Plan, prioritize, assign, supervise, and review the work of assigned fire personnel, including instruction and training drills; perform employee evaluations; conduct disciplinary action up to and including formal letters of reprimand; recommend discipline higher than letters of reprimand.
- Respond to emergency fire, rescue, medical aid, and public service calls; order placement of personnel, equipment, and apparatus for effective and efficient operations; assume responsibility for the supervision, performance, and safety of assigned personnel.
- Command and direct operations when first to arrive at emergency incident until relieved by a superior officer; order multiple alarms as necessary, prior to arrival of supervising officer.
- Oversee effective and efficient use of resources to ensure engine companies return to service in a timely manner.
- Coordinate company inspections of buildings, streets, alleys, and special hazards; maintain accurate records of such inspections.
- Monitor daily inspection of quarters and equipment to maintain Fire Department quality standards; oversee the maintenance and repair of equipment and facilities.
- Inspect personnel and maintain discipline.
- Enforce Fire Department and City rules and regulations and make recommendations to superior officers.
- Advise management staff of methods or procedures to improve station operations.

- Communicate clearly and tactfully, both orally and in writing
- Use tact, initiative, prudence and independent judgment within general policy, procedural, and legal guidelines
- Establish and maintain effective working relationships with all those contacted in the performance of required duties
- Use English effectively to communicate in person, over the telephone and in writing
- Operate modern office equipment including computer equipment and software programs
- Meet the physical requirements necessary to safely and effectively perform the assigned duties

Minimum Qualifications:

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Five (5) years of increasingly responsible full-time experience working in an organized fire department, including at least one (1) year of verifiable full-time experience working as an Engineer/Driver Operator in an organized fire department, or the candidate may be on the current Rocklin Out-of-Class Eligibility List for Engineer with the completion of the Engineer Task Book, and a minimum of 480 documented hours (20 shifts) performing in the Out-of-Class Engineer position.

Training & Education:

- An associate's degree from an accredited college with major course work in fire science or a closely related field is required for appointment to the Fire Captain position.

GENERAL QUALIFICATIONS

Licenses or Certificates Requirements:

- State of California Certified Firefighter-I & II Certificate, or equivalent.
- Possession of a valid State of California Class C driver's license with a Firefighter Endorsement.
- Possession of valid First Aid and Cardiopulmonary Resuscitation card. (A valid EMT card meets the requirement of a valid First Aid card).
- All coursework completed for the State of California Fire Officer Certificate.

Completion of Fire Captain Task Book:

If the Fire Captain Task Book has not been completed prior to a promotional exam opportunity, or if an applicant is hired from outside, the Task Book must be completed within one (1) year after the appointment to the Fire Captain position. The completion period for the Fire Captain Task Book may be extended at the discretion of the Fire Chief. Internal candidates that pass the Fire Captain promotional exam will be placed on the Fire Captain out of class list.

Physical Requirements:

Incumbents must possess mobility and physical strength and stamina to respond to emergency situations and use all emergency apparatus while wearing personal protective equipment; must demonstrate physical endurance, agility, strength, and stamina in the performance of hazardous tasks under emergency conditions; think and act quickly in emergencies; lift and move individuals or objects

weighing more than 100 pounds; ability to work in a standard office setting and to operate motor vehicles; vision to read gauges, documents and street maps; accurate depth perception; ability to communicate verbally, including projecting a voice that can be heard in a noisy environment; ability to hear and distinguish various sounds, such as alarms, voices of co-workers and warning horns or sirens in both quiet and noisy environments; ability to stand, walk, bend and reach at, above or below shoulder height for extended periods of time; sustained concentration and prolonged commitment to job tasks.

Working Conditions:

Employees in this class must be able to work with exposure to emergency circumstances; work both inside and outside with exposure to all types of weather conditions, including odors, dust and pollen; exposure to chemicals, skin irritants, fumes and solvents; willing to work irregular hours and/or extended shifts as scheduled by the department; and work at various locations within the City of Rocklin.

Uniform Requirement:

Incumbents are required to wear a designated uniform and personal protective equipment.

Criminal History and Background Check:

Candidates who have accepted a conditional offer of employment must pass a background investigation, including fingerprinting.

Adopted: March, 2006

Revised: October, 2018

FLSA: NE

This job specification should not be construed to imply that these requirements are the exclusive standards of the position. Not all duties are necessarily performed by each incumbent. Additionally, incumbents may be required to follow any other instructions and to perform any other related duties as may be required by their supervisor.
