CAREER OPPORTUNITY

The Position: The City of Rocklin has an exciting new opportunity for an IT Analyst to support the City's infrastructure services division of IT. This position is focused on designing technology infrastructure solutions as well as being the main "go-to" for troubleshooting and maintaining server and disk storage systems, routers, switches, and firewalls. This position has a wide breadth of responsibility and is the backbone for ensuring the City's technology systems stay up and running at all times.

Who you are: You have an extensive knowledge of IT infrastructure and server administration. You are ready for the challenge of providing exceptional behind the scenes service as well as working on a team to meet project deadlines. You understand underlying tech systems and structures beyond application services. You're ready to be part of a team that serves the public and is accountable to our internal and external customers.

Who we are: We are a small but mighty IT Department of 6. We have implemented strategic IT solutions including VDI workspaces and VMware vSphere environment to help support our employees across multiple locations. We serve the employees and residents of Rocklin and have a great team culture. Although we all have different areas of expertise, we bring a high level of knowledge, experience, and commitment to our work. We support each other and deliver service above and beyond. See below for more information about the Community and culture at the City.

COMMUNITY

The people who live and work in the City of Rocklin are the heart of the community and have built a special place for residents and visitors. Rocklin is a preferred location for business and living due to its convenient location, excellent schools, diverse mix of housing, abundant parks and recreational opportunities, and the highest commitment to public safety. Rocklin was recently named as one of top 100 Cities to live in America by *Money Magazine*, and was named the best place in Placer County to raise a family by Niche.com. Rocklin's outstanding educational systems includes Rocklin Unified, one of the top-ranked unified school districts in the state, as well as Sierra College, ranked first in Northern California for transfers to UC and CSU universities and William Jessup University, a fast-growing private, 4-year university.

Due to Rocklin's low crime rates and top-notch public safety professionals, Rocklin is one of the top 20 safest cities in California. Rocklin also has a flourishing park system, with a park located within a half mile of nearly every resident in the City. Public and private development is creating an environment that supports vibrant entertainment, commercial activity, and residential options. Business attractions in the City feature large retailers like Bass Pro Shops, farm-to-fork restaurants including the Chef's Table, and award winning breweries such as Moksa Brewing Co.

The City of Rocklin is located in South Placer County at the intersection of Interstate 80 and State Highway 65, and is characterized by rolling hill terrain with 360-degree panoramic views of the Sierra Nevada Mountains to the northeast and to the Sutter-Butte mountain range in the West. With an estimated population of 70,000 people, Rocklin is one of the fastest growing cities in California, with approximately 65% of its growth since 2000. Rocklin was first recognized as a destination along the transcontinental railroad in 1864, about the same time granite mining began. The City was incorporated in 1863 during the heyday of railroad and granite mining activity. By 1910, 22 quarries operated in Rocklin, and in 1912, nearly 2,000 train carloads of granite were sent out of town to become part of the state capitol building and buildings in San Francisco.

TEAM ROCKLIN CULTURE

As an organization, the City of Rocklin is dedicated to maintaining a high standard of service, a collaborative team environment, innovative ideas, transparency, and on-going training and development. Team Rocklin takes pride in serving the citizens and maintaining a safe and thriving community. Rocklin team members appreciate the strong support they receive from the citizens who respect and value what they do to keep the City a great place to live, work and play. Working at the City of Rocklin, you can see firsthand the strong sense of community and high standard of service. Rocklin continues to be an innovative leader that is creating its own identity by challenging the status quo. Team Rocklin members are capable experts in their fields, who work together to accomplish the strategic objectives set forth by the City Council.
