Residential Parking Permit - Order Form

You may order up to four (4) permanent parking permits (numbered decals) at no charge. They must be permanently attached to the lower left corner of the front windshield. These permits are issued to a specific vehicle. Each batch of decals comes with an expiration date. When your permit expires, you will need to submit a new form to have new permits issued.

To obtain a permanent parking permit, the vehicle must be registered to an address within the permit parking area.

If you would like to order permanent parking decals or temporary (guest) parking permits, please complete and return this form via mail, fax, email, or in person to:
