Subject: Quarry Park Adventures to Close for Winter Season

The City of Rocklin today announced Quarry Park Adventures has closed for the cold and wet winter season and will reopen in the spring.

“The City of Rocklin is committed to providing an enjoyable experience at Quarry Park Adventures,” said Rocklin City Manager Steve Rudolph. “Because cold temperatures, rain and other weather conditions are not optimal conditions for visitors, we are closing the park for the winter season.”

The adventure park will reopen with a new operating structure to ensure the park continues to deliver a great experience for residents and the region. All pre-paid tickets, season passes and gift cards will be honored. Future updates about Quarry Park Adventures can be found at www.rocklin.ca.us and www.quarrypark.com. People can also contact the City of Rocklin with additional adventure park questions by email at QPAInfo@rocklin.ca.us or by phone at (916) 625-5243.
