Residential Re-Pipe/Water Main Submittal Checklist

A plumbing permit is required to re-pipe the water service, and or the interior water piping system. Plans are generally not required to re-pipe a single-family dwelling unless it is determined that they are necessary. City of Rocklin is currently using the California Plumbing Code (CPC).

INSPECTIONS:

- **Rough Plumbing**
- **Bldg Final**

A **reinspection fee of \$170** will be assessed if the work was not sufficiently complete to accomplish the required inspection(s).

All phases of project development shall be subject to the CITY OF ROCKLIN **Construction Noise Guidelines**, including restricting construction-related noise generating activities within or near residential areas.

- 7:00 am to 7:00 pm on weekdays
- 8:00 am to 7:00 pm on weekends

Compliance with HOA regulations and your CC&R's is the responsibility of the land owner and is not implied or conveyed through City Approval of these documents.

This set of plans and specifications must be kept on the job at all times, and it is unlawful to make any changes or alterations from the same without written permission from the Building Inspection Division.

The approval of this plan and specifications SHALL NOT be held to permit or approve the violation of any City Ordinance or State Building Code.
