

# Reopening responsibly:

# HAIR SALONS & BARBERSHOPS

(in addition to California Board of Barbering and Cosmetology rules and complete industry guidance)

Workers and customers must use face coverings

Services that require removal of face coverings or touching the client's face are not yet permitted

Display required customer guidelines

Thoroughly clean and disinfect shears, tools, carts, and other high touch surfaces

Sanitize station and other high-traffic areas between uses

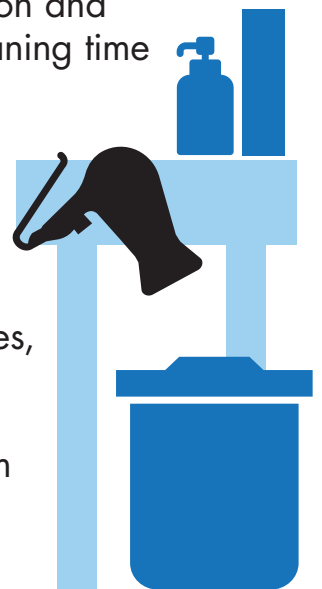

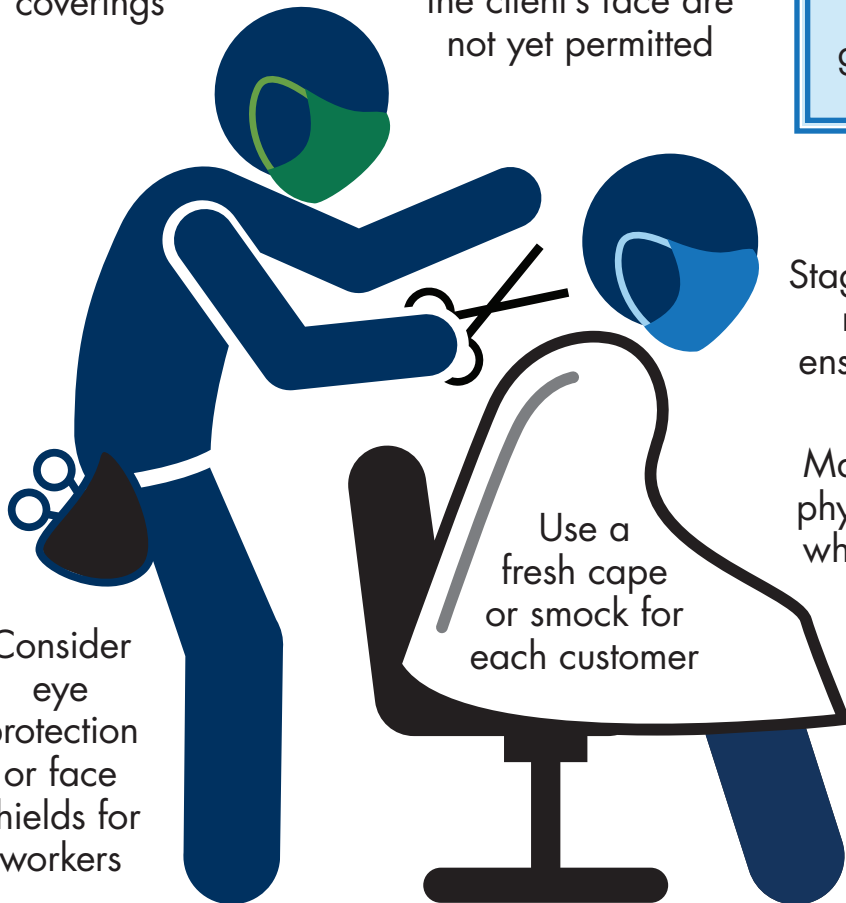

Stagger appointments to reduce reception congestion and ensure adequate cleaning time

Maintain 6 feet of physical distancing whenever feasible

Remove magazines, refreshments, and other touch-points from waiting areas

Use a fresh cape or smock for each customer

Consider eye protection or face shields for workers

Updated 5.29.20
