

Reopening responsibly:

RESTAURANTS

Face coverings are required for employees who cannot maintain physical distancing and are strongly encouraged for others

Regularly clean high-traffic areas and disinfect high-touch surfaces

Provide disposable or digital menus, or disinfect reusable menus before and after use

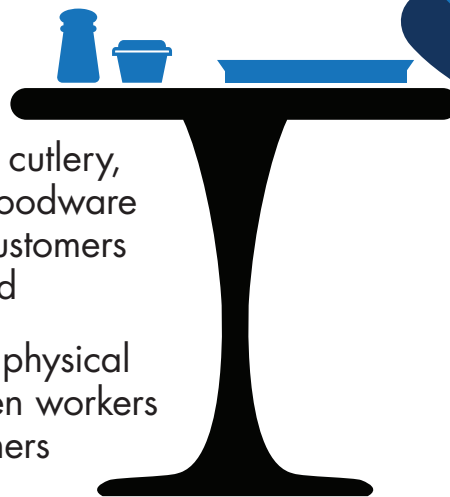

Alcohol can only be sold in the same transaction as a meal

Face coverings are recommended for guests when not eating or drinking

Provide single-serve condiments or disinfect shared containers between uses

Supply napkins, cutlery, glassware, and foodware individually to customers as needed

Ensure 6 feet of physical distancing between workers and customers
