FOR IMMEDIATE RELEASE

Subject: Rocklin Fire to Help Old St. Nick to Visit Rocklin Residents

Contact: Michael Young, Rocklin Spokesperson
(916) 625-5584 | michael.young@rocklin.ca.us

The holiday season is here and Santa Claus has once again requested the assistance of the Rocklin Firefighters to escort him through the non-gated neighborhoods of Rocklin to visit children of all ages. Santa will ride atop a fire engine and his helpers will pass out candy to all the good boys and girls from 5:30 p.m. to 9 p.m. December 3–7 and December 10–12 (weather permitting).

Santa can't wait to see everyone's smiling faces but must keep moving in order to visit as many people as possible. To stick to his busy toy-making schedule, Santa will not be going into small courts of eight houses or less and encourages residents to walk to the corner to see him. Since he will be traveling in a fire engine, it's important that families remain on the sidewalk and not try to approach the vehicle. Santa also asked that all pets be left in the house to keep everyone safe.

Santa plans to visit the eastern half of Rocklin on week 1, and the western half of Rocklin on week 2 and a map of his travel itinerary can be found [here](#). Occasionally, inclement weather prevents Santa from making his scheduled rounds, but rest assured that if he is rained out, he will make every attempt to reschedule for the nights of December 13 and 14. Please "like" the Rocklin Firefighters [Facebook page](#) where you can follow up-to-date information about Santa Tours 2018!

Please be fire safe throughout the year and know that Santa and the Rocklin firefighters wish you and yours the very happiest of holidays.
