Subject: City of Rocklin 2021 – 2029 Housing Element Update

Mr. Saldana:

Enclosed is the 2021–2029 City of Rocklin Housing Element for a second 60-day review period. The enclosed version reflects changes based on the HCD findings letter dated February 19, 2021. In order to meet the SACOG Housing Element deadline to stay on the 8-year update cycle, the City would like to request an expedited review.

To assist with your review, we have included a matrix summarizing the February 19, 2021 comment letter and that provides the location of the edits.

The City is committed to working with the California Department of Housing and Community Development (HCD) to ensure that this Housing Element obtains certification to maintain eligibility for grant funding programs, ensure the legal adequacy of the General Plan, and preserve local control of land use decisions.

The revised Public Review Draft was posted to the City's website on May 24, 2021 and was provided to stakeholders through direct noticing.

We look forward to hearing from your office. If you have any questions, please do not hesitate to contact me at (916) 607.7281 or cwalsh@placeworks.com.

Sincerely,

PLACEWORKS
