

ORDINANCE NO. 867

ORDINANCE OF THE CITY COUNCIL OF THE CITY  
OF ROCKLIN APPROVING A REZONING TO PLANNED DEVELOPMENT – 2.63  
AND ADOPTING A GENERAL DEVELOPMENT PLAN  
(Sierra Valley Oaks / Z-2001-02; PDG-2001-06)

The City Council of the City of Rocklin does ordain as follows:

Section 1. The City Council of the City of Rocklin finds and determines that:

A. A mitigated negative declaration of environmental impacts for this project has been certified via CC Resolution No. 2002-376.

B. The proposed general development plan and zoning are consistent with the City of Rocklin's General Plan land use element, which designates the site as Low Density Residential.

C. The proposed general development plan and zoning are consistent with and implement the policies of the City of Rocklin's General Plan, including the Housing Element.

D. The area is physically suited to the uses authorized in the proposed general development plan and zoning.

E. The proposed general development plan and zoning are compatible with the land uses existing and permitted on the properties in the vicinity.

F. The land uses, and their density and intensity, allowed in the proposed general development plan and zoning are not likely to create serious health problems or create nuisances on properties in the vicinity.

G. The City Council has considered the effect of the proposed general development plan and zoning on the housing needs of the region and has balanced those needs against the public service needs of its residents and available fiscal and environmental resources.

Section 2. The City Council of the City of Rocklin hereby approves the zoning of the project site as shown on Exhibit A, attached hereto and incorporated by reference herein, to Planned Development (PD) and adoption of the general development plan in the form attached hereto as Exhibit B and incorporated by reference herein.

Section 3. Within 15 days of the passage of this ordinance, the City Clerk shall cause the full text of the ordinance, with the names of those City Council members voting for and against the ordinance, to be published in the Placer Herald. In lieu of publishing the full text of the ordinance, the City Clerk, if so directed by the City Attorney and within 15 days, shall cause a summary of the ordinance, prepared by the City Attorney and with the names of the City Council members voting for and against the ordinance, to be published in the Placer Herald, and shall post in the office of the City Clerk a certified copy of the full text of the ordinance, along with the names of those City Council members voting for and against the ordinance. The publication of a summary of the ordinance in lieu of the full text of the ordinance is authorized only where the requirements of Government Code section 36933(c)(1) are met.

PASSED AND ADOPTED this 10<sup>th</sup> day December, 2002, by the following roll call vote:

#### Special Provisions and Construction Standards

The following special provisions and construction standards are applicable only to the Sierra Valley Oaks Subdivision, SD-2001-03, project if it is recorded.

- i) The front setback on Lots 1 – 5, 9, and on lots 31 through 37 inclusive, as shown on tentative subdivision map SD-2001-03, shall be 20 feet. These lots are not subject to the requirement for a 2-foot differential between lots nor are they to be counted toward the 25-foot average front setback. This provision is intended to enhanced compatibility with the adjoining homes on Equestrian Terrace by maximizing the rear setback on the referenced lots and is only applicable to lots created by the recordation of tentative subdivision map SD-2001-03.
- ii) No further subdivision – The 74 lots that would be created by the recording of the Sierra Valley Oaks tentative subdivision map (SD-2001-03) is the maximum lot yield this general development plan will allow on the project site, therefore no further subdivision of any these lots is possible.
- iii) All second-floor facades of the lots adjacent to Sierra College Boulevard, including Lot 71, shall be constructed of 3-coat stucco (5/8 inch thick minimum) or other sound attenuation measures to achieve acceptable internal noise levels (e.g., 2-coat drywall on inside walls) and all upstairs windows of those lots with direct or sideline exposure to Sierra College Boulevard shall have a minimum sound transmission class (STC) rating of 32.
- iv) Air conditioning shall be included in all residences constructed to allow occupants to close doors and windows as desired to achieve acoustical isolation.

- v) All exterior penetrations in building walls shall be tightly sealed around the perimeter to prevent the creation of sound flanking paths.
- vi) All windows shall be properly installed and caulked at the perimeter with resilient materials to prevent the formation of acoustic "leaks" at the window frames.
- vii) Primary structures on Lots 31-37 inclusive, shall be limited to single-story with a slab on grade foundation.

### J. Sales Office

- i) The Community Development Director may approve the use of a temporary sales trailer, for up to 12 months, within the project area, subject to such standards and conditions as deemed necessary to ensure aesthetic qualities, public health, and safety.
- ii) The Community Development Director may approve the use of one or more residences as model homes and the use of the garage of one model home as a sales office subject to such standards and conditions as deemed necessary to ensure aesthetic qualities, public health, and safety. Prior to approval of a final inspection for any model home the developer shall reconvert any garage used for a sales office to a garage use to the satisfaction of the Community Development Director.
